# “Polar Bear”

DESIGNED AND EDITED  
BY THE STUDENTS OF  
HIGHLAND PARK HIGH SCHOOL,  
HIGHLAND PARK, MICHIGAN,  
NINETEEN HUNDRED AND  
FIFTY-FOUR

# DEDICATION

The 1954 Polar Bear is dedicated to the late George Ligosky, respected trainer of the boys' athletic teams. His influence and interest went far beyond his job, and his death was a great loss to Highland Park's athletic program.

# Yearbook Staff

Shown above from left to right are: (first row) Marylin Ellis, Janice Firden, Eleanor Henderson, Anna Tookoian, Liberty Churukian, Artie Speckin, Mary Lou Squire, Cynthia Hart; (second row) Mr. William Cunningham, Dorothy Stanton, Jerry Gaughan, Sharon Linton, Margaret Koivu, Sandra Smith, Kathryn Pulkki, Dale Robinson, Gus Papodelis, David Barko, Arlene Mulligan, Judy Demaree, Carolyn Geurin, Sheran Arcaris, Lucretia Amodeo, Helen Haitaian, Rosalie Throgmorton, Mr. Alfred Burke.

Planning and scheduling pictures, making tentative layouts, choosing cover color and design, selling subscriptions and writing loads of copy - - - all went into the making of the school's most important dates and records book, the 1954 "Polar Bear".

Senior members of the art staff were Janice Firden and Marylin Ellis. The backbone of next year's staff will include Jerry Gaughan, Rosalie Throgmorton, Dave Barko, Kathryn Pulkki, Adana Grant, and Marilyn Kamischke.

Valuable seniors who will be sorely missed in 1955, included Artie Speckin, Eleanor Henderson, Mary Lou Squires, Cynthia Hart, Anna Tookoian and Dick Brown. Next year's copy staff will be built around the following returning staffers: Helen Haitaian, Judy Demaree, Sandra Smith, Lucretia Amodeo, Dale Robinson, Carolyn Geurin, Dorothy Stanton, Margie Koivu, Sheran Arcaris, and Sharon Linton.

## Seniors Dance

Swirling formals and the soft music of Dave Farley and his Orchestra set the pleasant mood for the Senior Prom last January, which was held at the Latin Quarter. The prom committee was headed by Co-Chairmen Marilyn Shields, Nancy Neilson, and Ron Coosaia. Mrs. Oleta Hiller and Miss Eileen Garwood were faculty advisers. Other seniors who worked hard on the committee included Jeffie Lynch, Leon McGinley, Barbara Brownell, Judy Lombardo, Glenda Morris, Betty Christoff, Nancy Phillips, Arlene Avery, Violet Pelton, and Bob Crumbaker.

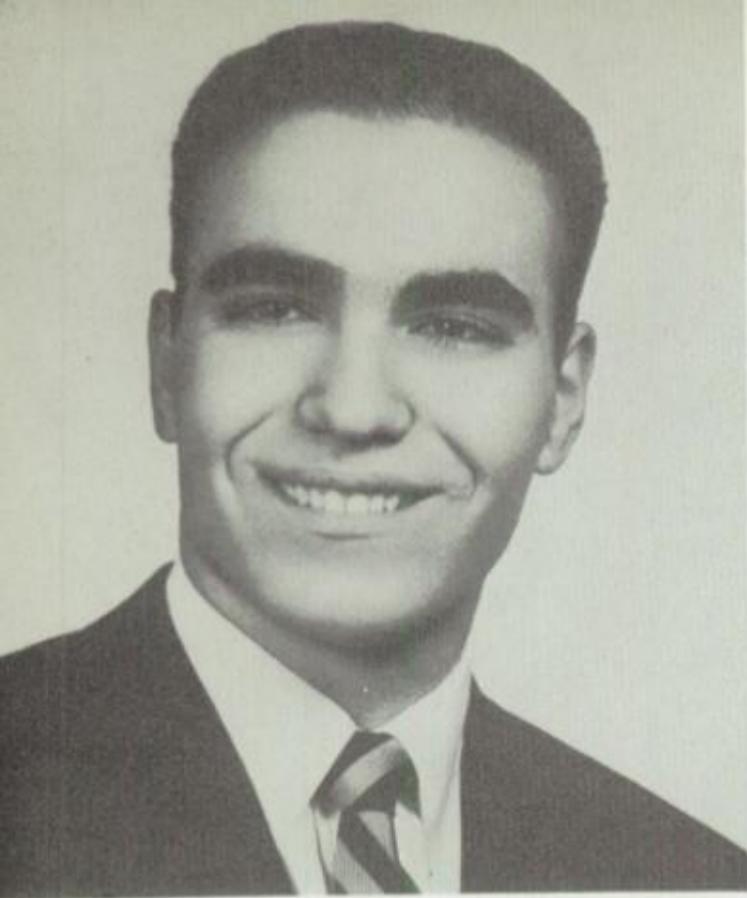

The day after the Senior Prom, the "graduates-to-be" attended the Senior Banquet at the Seafood Grotto. The banquet committee was headed by Kathy Andrews, Gail Turbeville, Mr. Jim Wink, and Mr. Alan Hutchins. Don Thurmond, 12A president, was the toastmaster and gave the invocation. He also presented the key to Vartkes Tadian, 12B president. Shirley Solomon read the class history and Leo Corradi, Leonard Brown, and Jim Woods read the will and prophecy. Entertainment was supplied by LaRoy Casey, Hildred Wessinger, and the comedy trio of Ron Coosaia, Bob Crumbaker, and John Lane.

# ACADEMIC HUADEVILLE

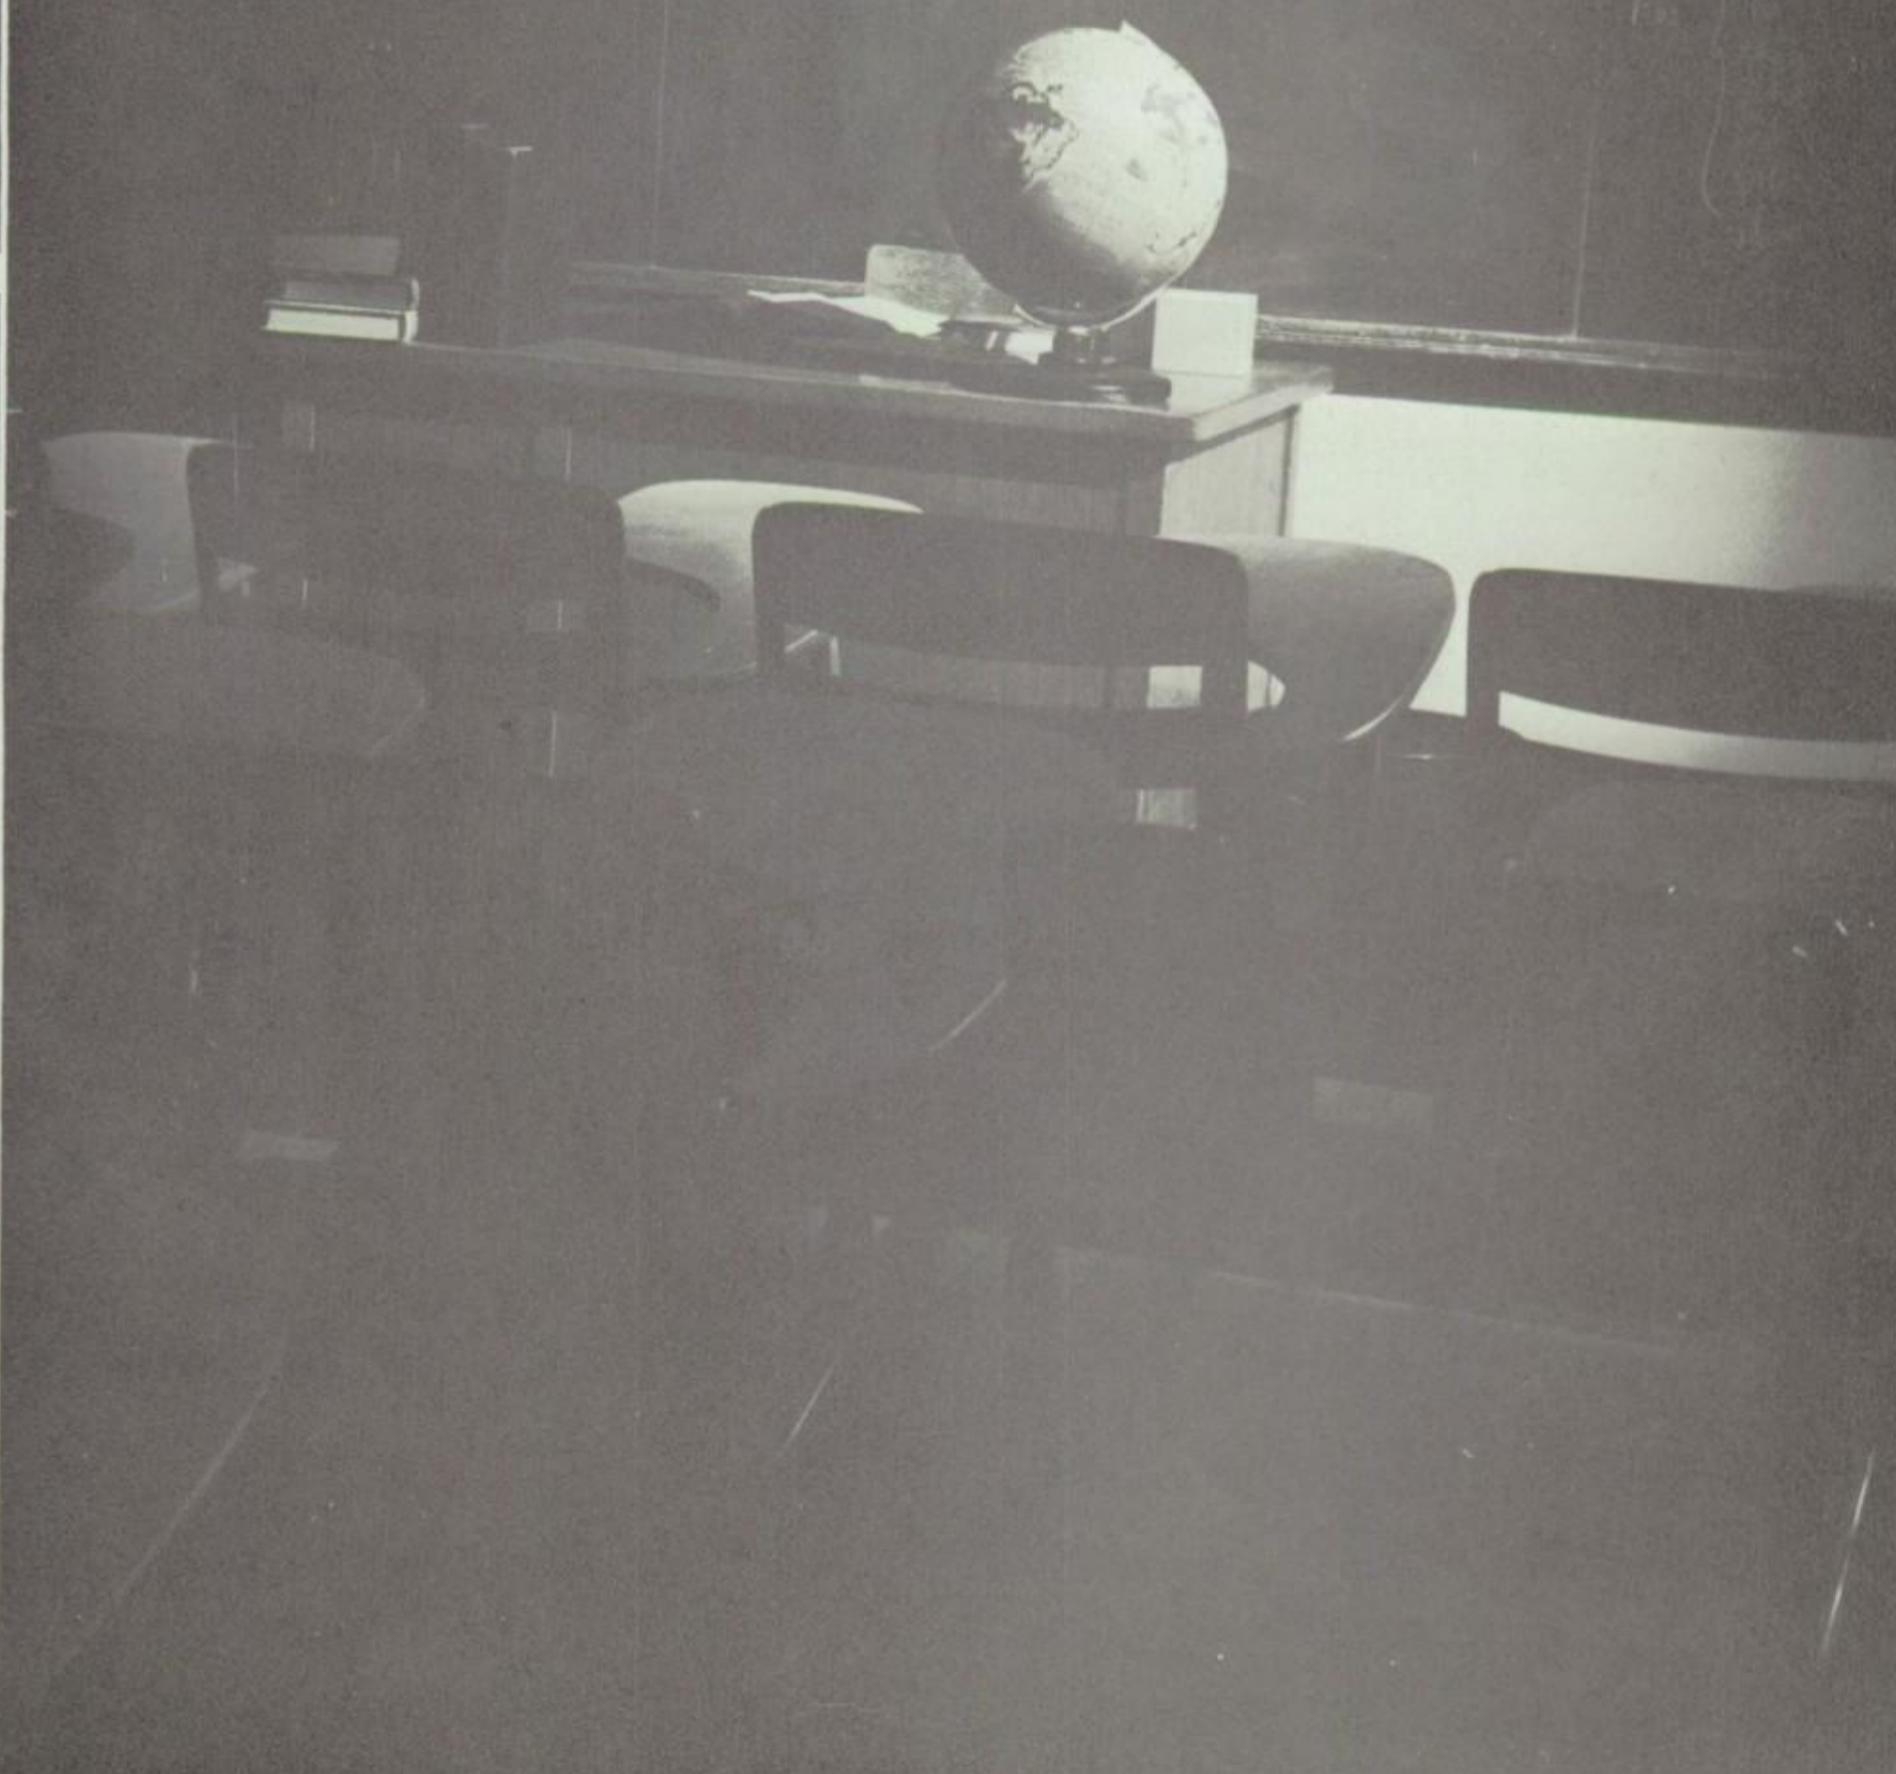

In a classroom like this . . . I've watched and heard students acquire basic skills and broaden their minds by many hours of rewarding effort.

## Assignment 1

The public is best served by the good  
old-established ideas it already has

2. I mean to have the right to look my  
sons in the face when they are grown men.

3.

**JEWELRY** — Jewelry seems to be one of the top-notch classes here at H.P. Students learn to mold and create beautiful designs in various kinds of materials. Once the student acquires the fundamental techniques in jewelry making, he can continue his hobby at home.

**COMMERCIAL ART** — Another part of the art department is the commercial art section, which involves design, lettering, commercial printing, and various kinds of advertisements. Commercial art students spend many hours throughout the year making posters and various decorations for dances, the Carnival, and other school affairs.

**DRAWING AND PAINTING** — In art classes, students draw as well as paint various objects which are entered in contests throughout the year. Movies are shown so that art students may more fully understand the technical fundamentals of art. Students need not be artistically gifted to enroll in these classes, but they should have an appreciation for art.

**CERAMICS** — Students taking ceramics have the opportunity to work in all phases of clay sculpture and pottery making. Anyone that has taken the course can relate what a creative experience it is. The study of ceramics includes the kiln process, the making and use of glazes, and experiments in colors. Pottery is either made by hand or formed on the potter's wheel.

## Learning for the Future

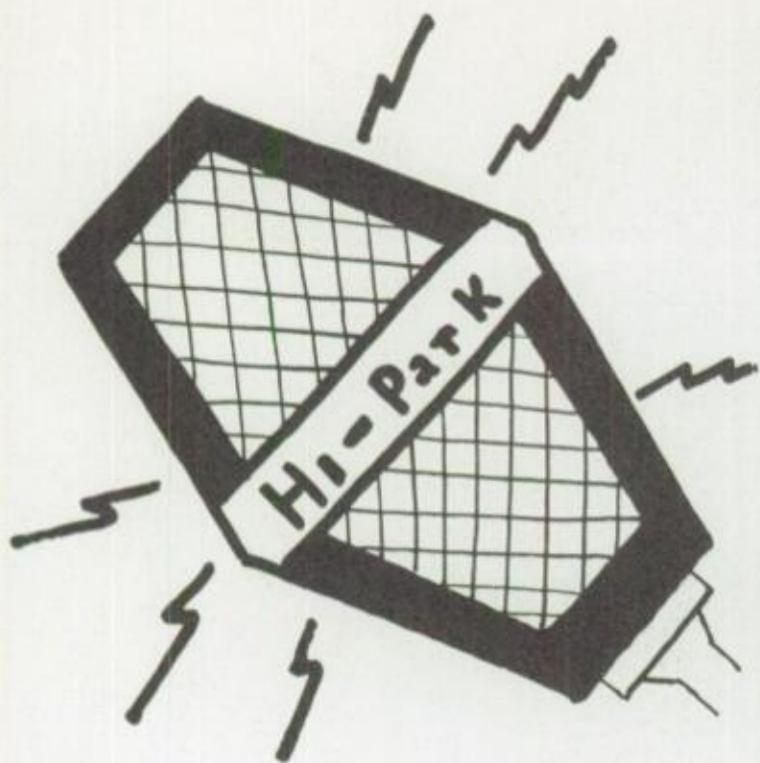

It is compulsory that all freshmen enroll in a family living class. Students discuss such problems as dating, clothes, family life, money, and any other problems that may come up throughout the year. The sociology classes, which every senior must take, discuss physical and emotional problems more fully than the freshmen do in family living.

Every student before he graduates must spend approximately five days at nursery school. The students actually meet the nursery-age children and are given the opportunity to find out just why children act the way they do. Someday when these seniors have homes of their own, these valuable experiences will help them to understand their children better.

## Talking It Over!

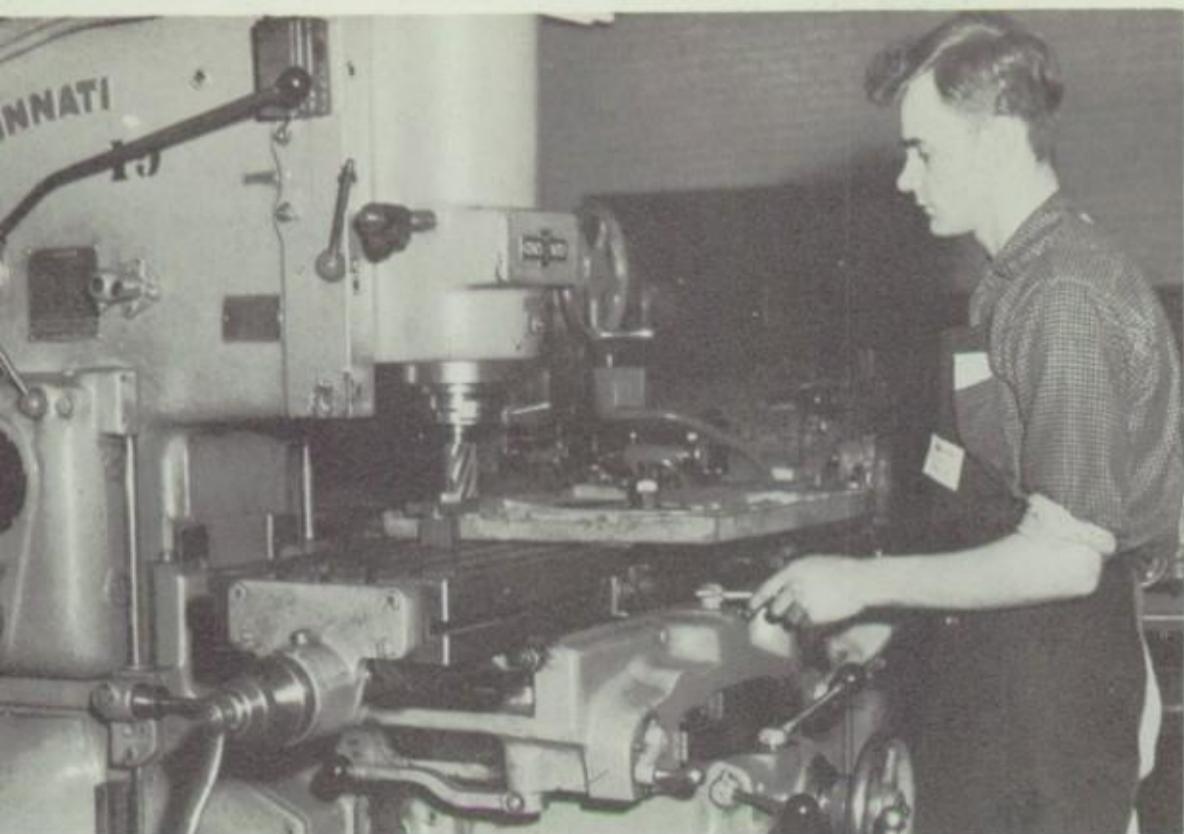

**DRIVER TRAINING** — This year over 192 students enrolled in driver training classes under the supervision of Mr. Levere Snyder, Mr. Einar Hansen, and Mr. Ronald Larzelere. Eight hours of indoor studies consisting of movies and lectures precede actual on-the-road driving.

**RADIO SPEECH** — Highland Park High School's dream has finally come true. A radio station for Parkers has been established which enables students to gain a practical knowledge of both production and broadcasting skills. The station's policies were approved by the Board of Education, and the station (WHPR) had to be on the air by April 24.

**MODERN DANCE** — These girls are trying to portray one of the more simple phases of modern dancing. This is a class every girl should take before she graduates. The skillful movements induced through constant practice help to develop rhythm co-ordination and give the student poise and confidence.

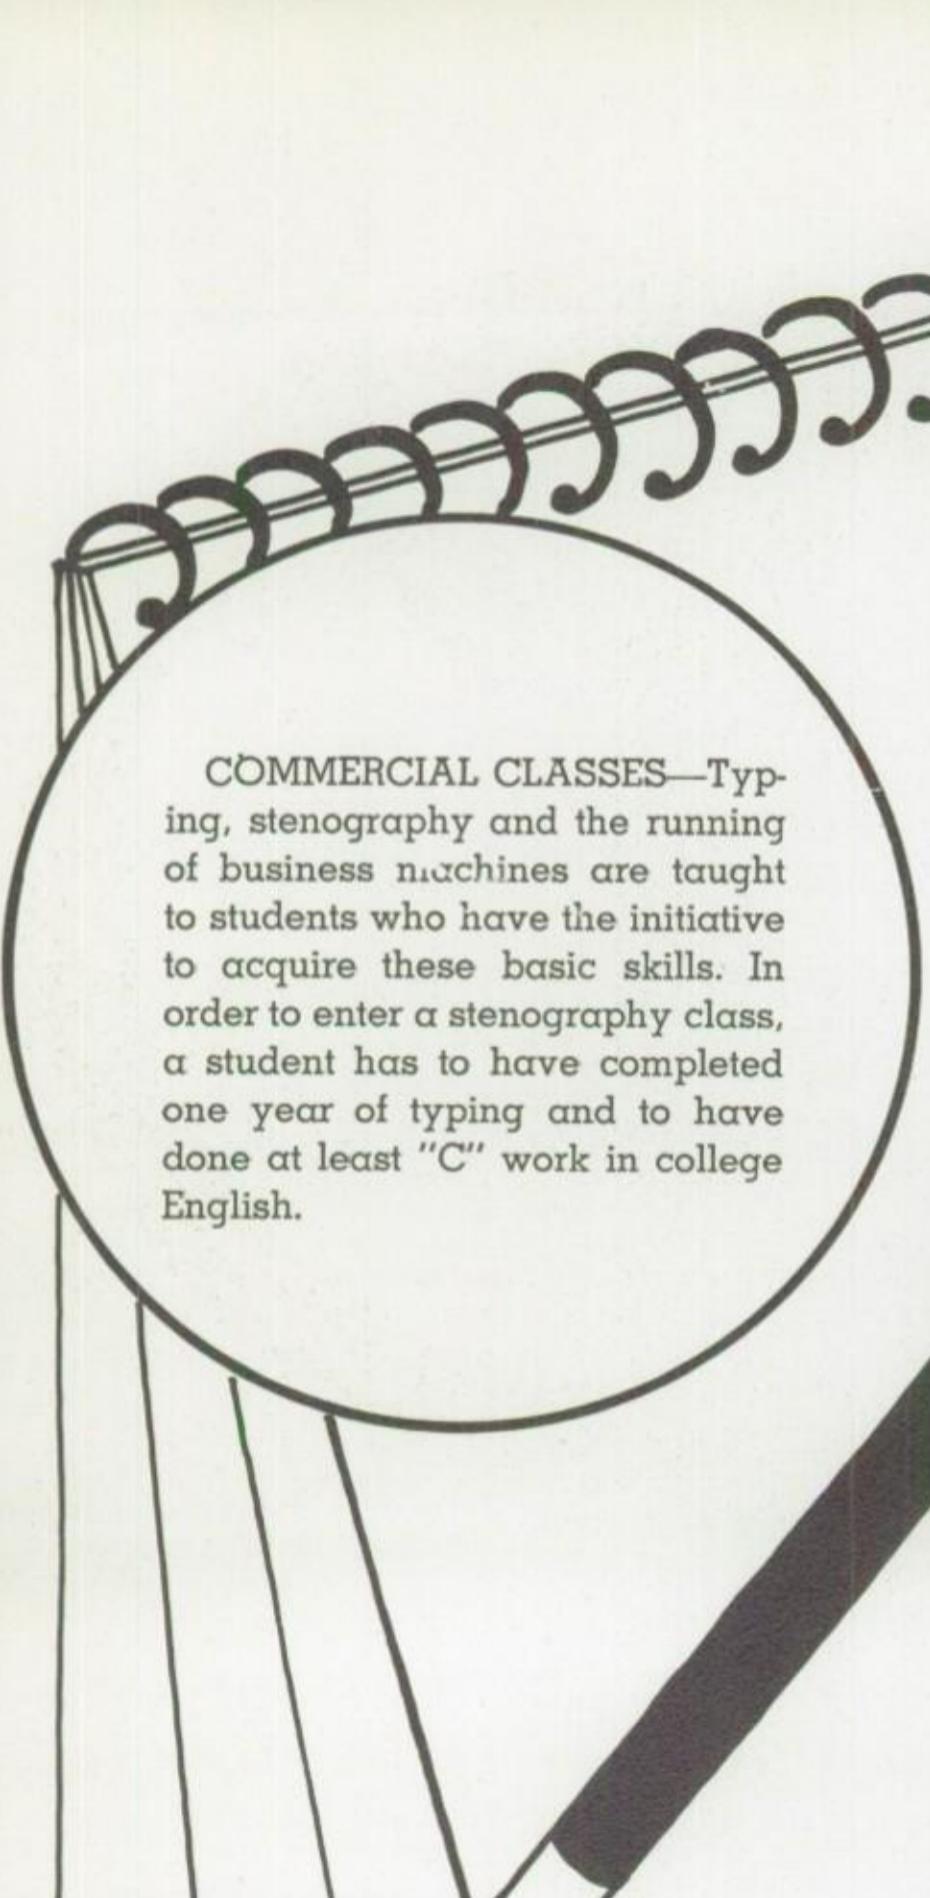

**MACHINE SHOP** — A well equipped machine shop in Highland Park High School provides modern facilities which are available to students enrolled in the machine class. Students are taught the fundamental operations of lathes, milling machines, grinders, drills, and shapers.

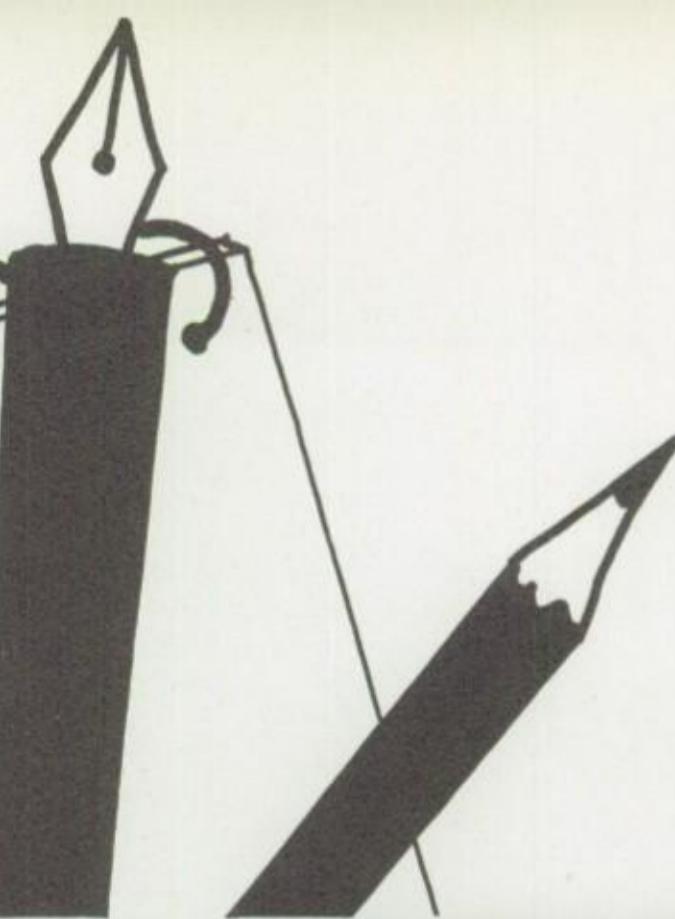

**AUTO MECHANICS** — The repairing of cars and trucks is always interesting to boys. The auto classes give students ample opportunity to learn all about parts of engines and machines. Theory and actual practice are combined to give valuable information in these auto classes.

**WELDING** — When boys take exploratory trade, they are given the opportunity to learn elementary safety and the principles of arc and oxy-acetylene welding. New uses are constantly being discovered involving welding techniques. Automobiles, machinery, building, and manufacturing are a few of the industries which use the services of the welder.

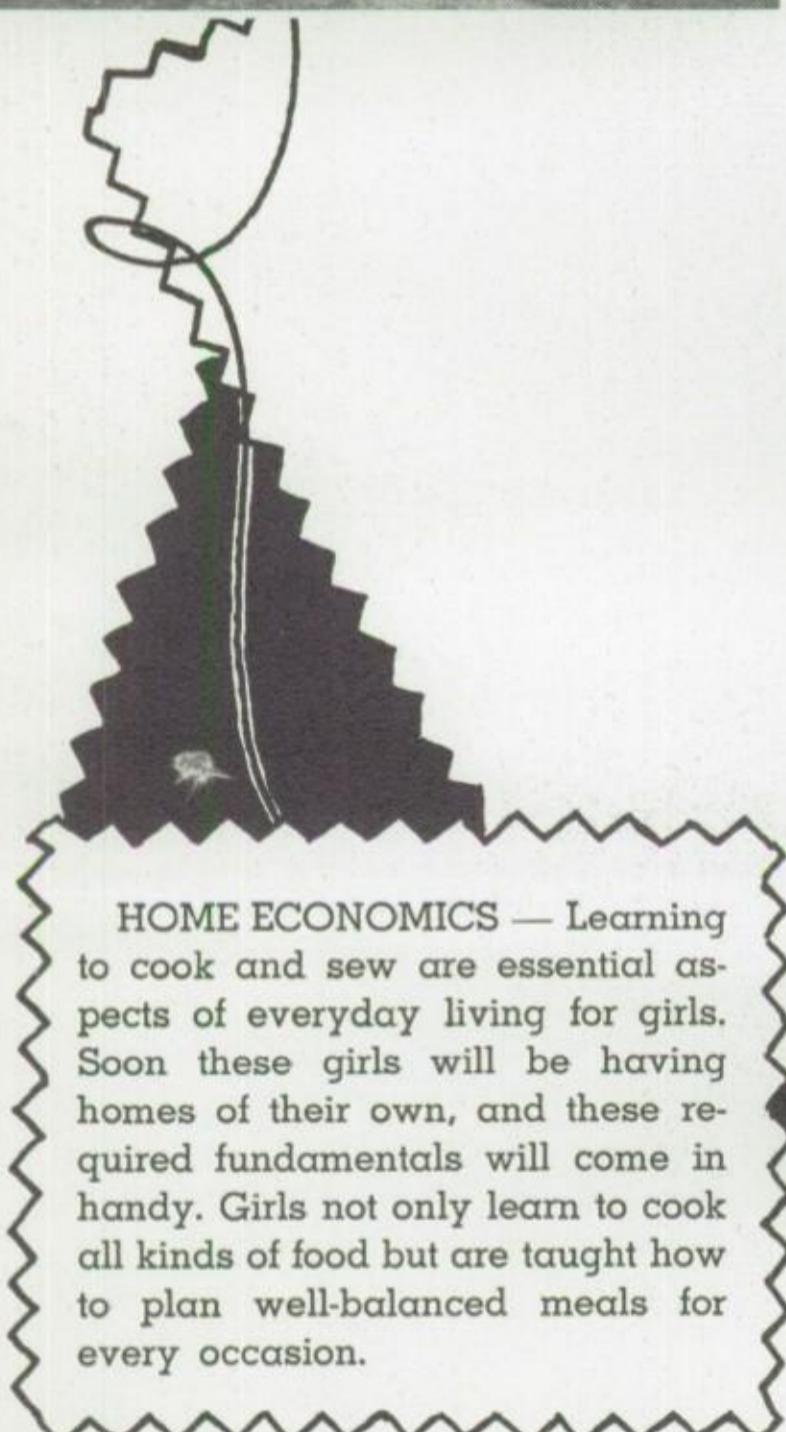

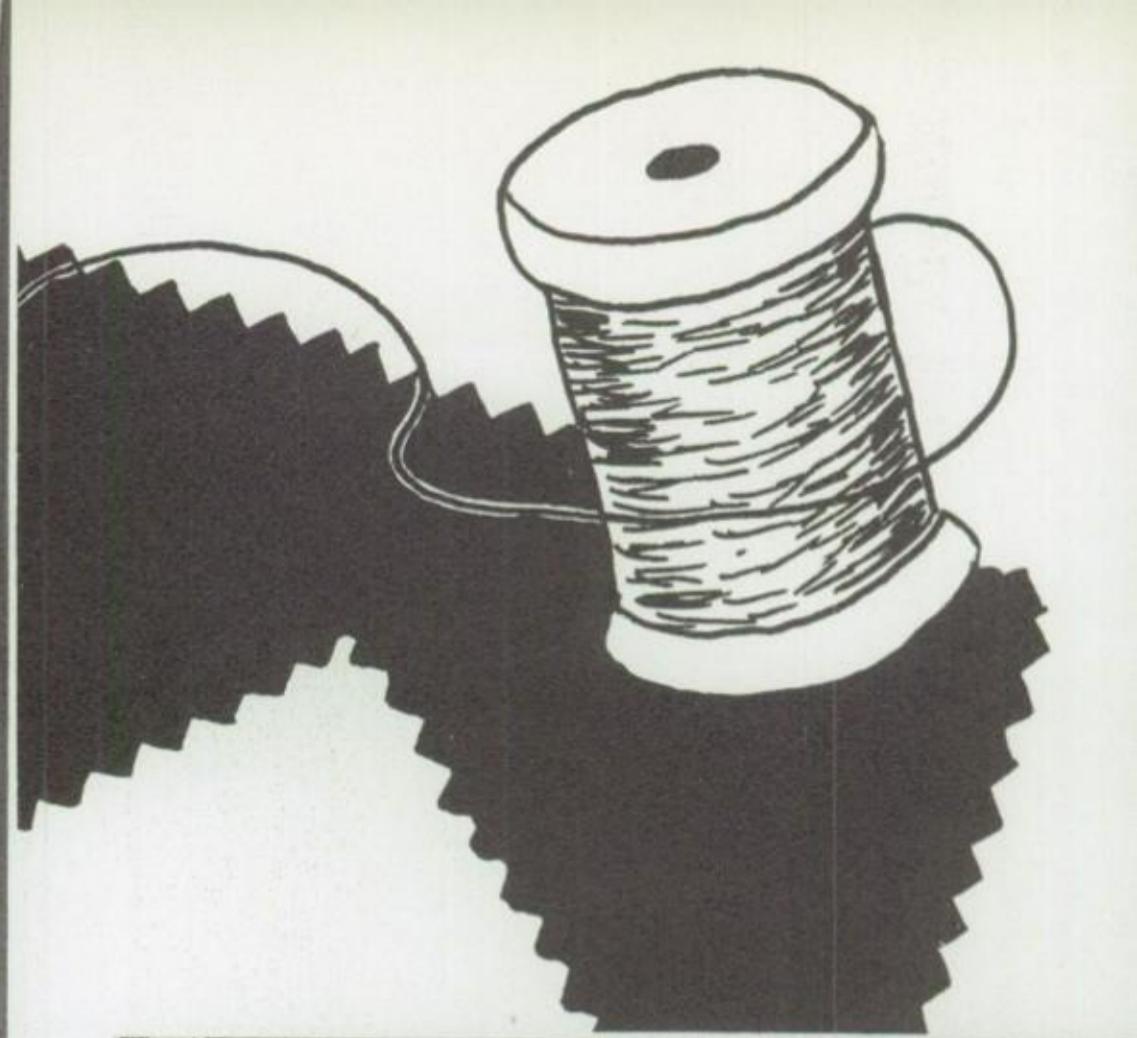

COMMERCIAL CLASSES—Typing, stenography and the running of business machines are taught to students who have the initiative to acquire these basic skills. In order to enter a stenography class, a student has to have completed one year of typing and to have done at least "C" work in college English.

**NATURAL AND PHYSICAL SCIENCES** — Biology, chemistry, and physics are scientific classes all students who are planning to attend college should definitely take. This year the physics class went on two field trips, one to the General Motors Research Plant and the other was to the State Fair where they viewed various motors.

In biology classes, students learn about the origin, structure, and functions of plants and animals.

**HOME ECONOMICS** — Learning to cook and sew are essential aspects of everyday living for girls. Soon these girls will be having homes of their own, and these required fundamentals will come in handy. Girls not only learn to cook all kinds of food but are taught how to plan well-balanced meals for every occasion.

# Keyboard Classes

## PIANO AND ORGAN

— Any student with a desire to learn to play the piano or organ is given the opportunity at Highland Park. Classes are offered for both beginners and advanced students who are keenly interested in music.

# ACTIVITIES

Gay dances, entertaining plays, delightful musicals, stimulating clubs, and the merry carnival are but a few of the many activities . . . that I too have shared.

KETT FIELD HOUSE

# Curtain Time

Under the direction of Mrs. Mary K. Fraser, a most amusing comedy entitled "The Curious Savage" was presented as the school's fall play. This play was a change from the two serious dramas produced last year.

The play involved a rich widow, Mrs. Savage, who was forced into a sanitorium by her step-children. The comedy took place in the "mad-house" where Mrs. Savage lived with eccentric inmates. She carried ten million dollars around in her teddy bear, thus creating an intriguing mystery. Janet Poe handled the lead role, portraying the wealthy widow. Other members of the cast included Pat Fox, Leonard Brown, Judy Climer, Earl Newman, Virginia Schuler, Ron Benson, Sheila Kennedy, and Judy Demaree. Others were Don Johnstone, Steve Schneider, Arlene Mulligan, John Dean, and Frank Donar. Acting as student directors were Nancy Wimmer and Glynn Armitage.

A tense drama, "The Heiress," was presented as the spring play under the direction of Mrs. Mary Kay Fraser with student director Pat Fox assisting.

The plot concerned an unassuming "heiress" who was courted by a suitor for her immense fortune. The father, discovering the man's false affections, separated the pair. The heiress was heartbroken.

The leading roles were portrayed by Joanne Bull and Doug Runnels. Others included in the cast were Janet Poe, John Schuler, Helen Haitaian, Lucretia Amodeo, Mary Carter, Earl Newman, and Marjie Pearsall.

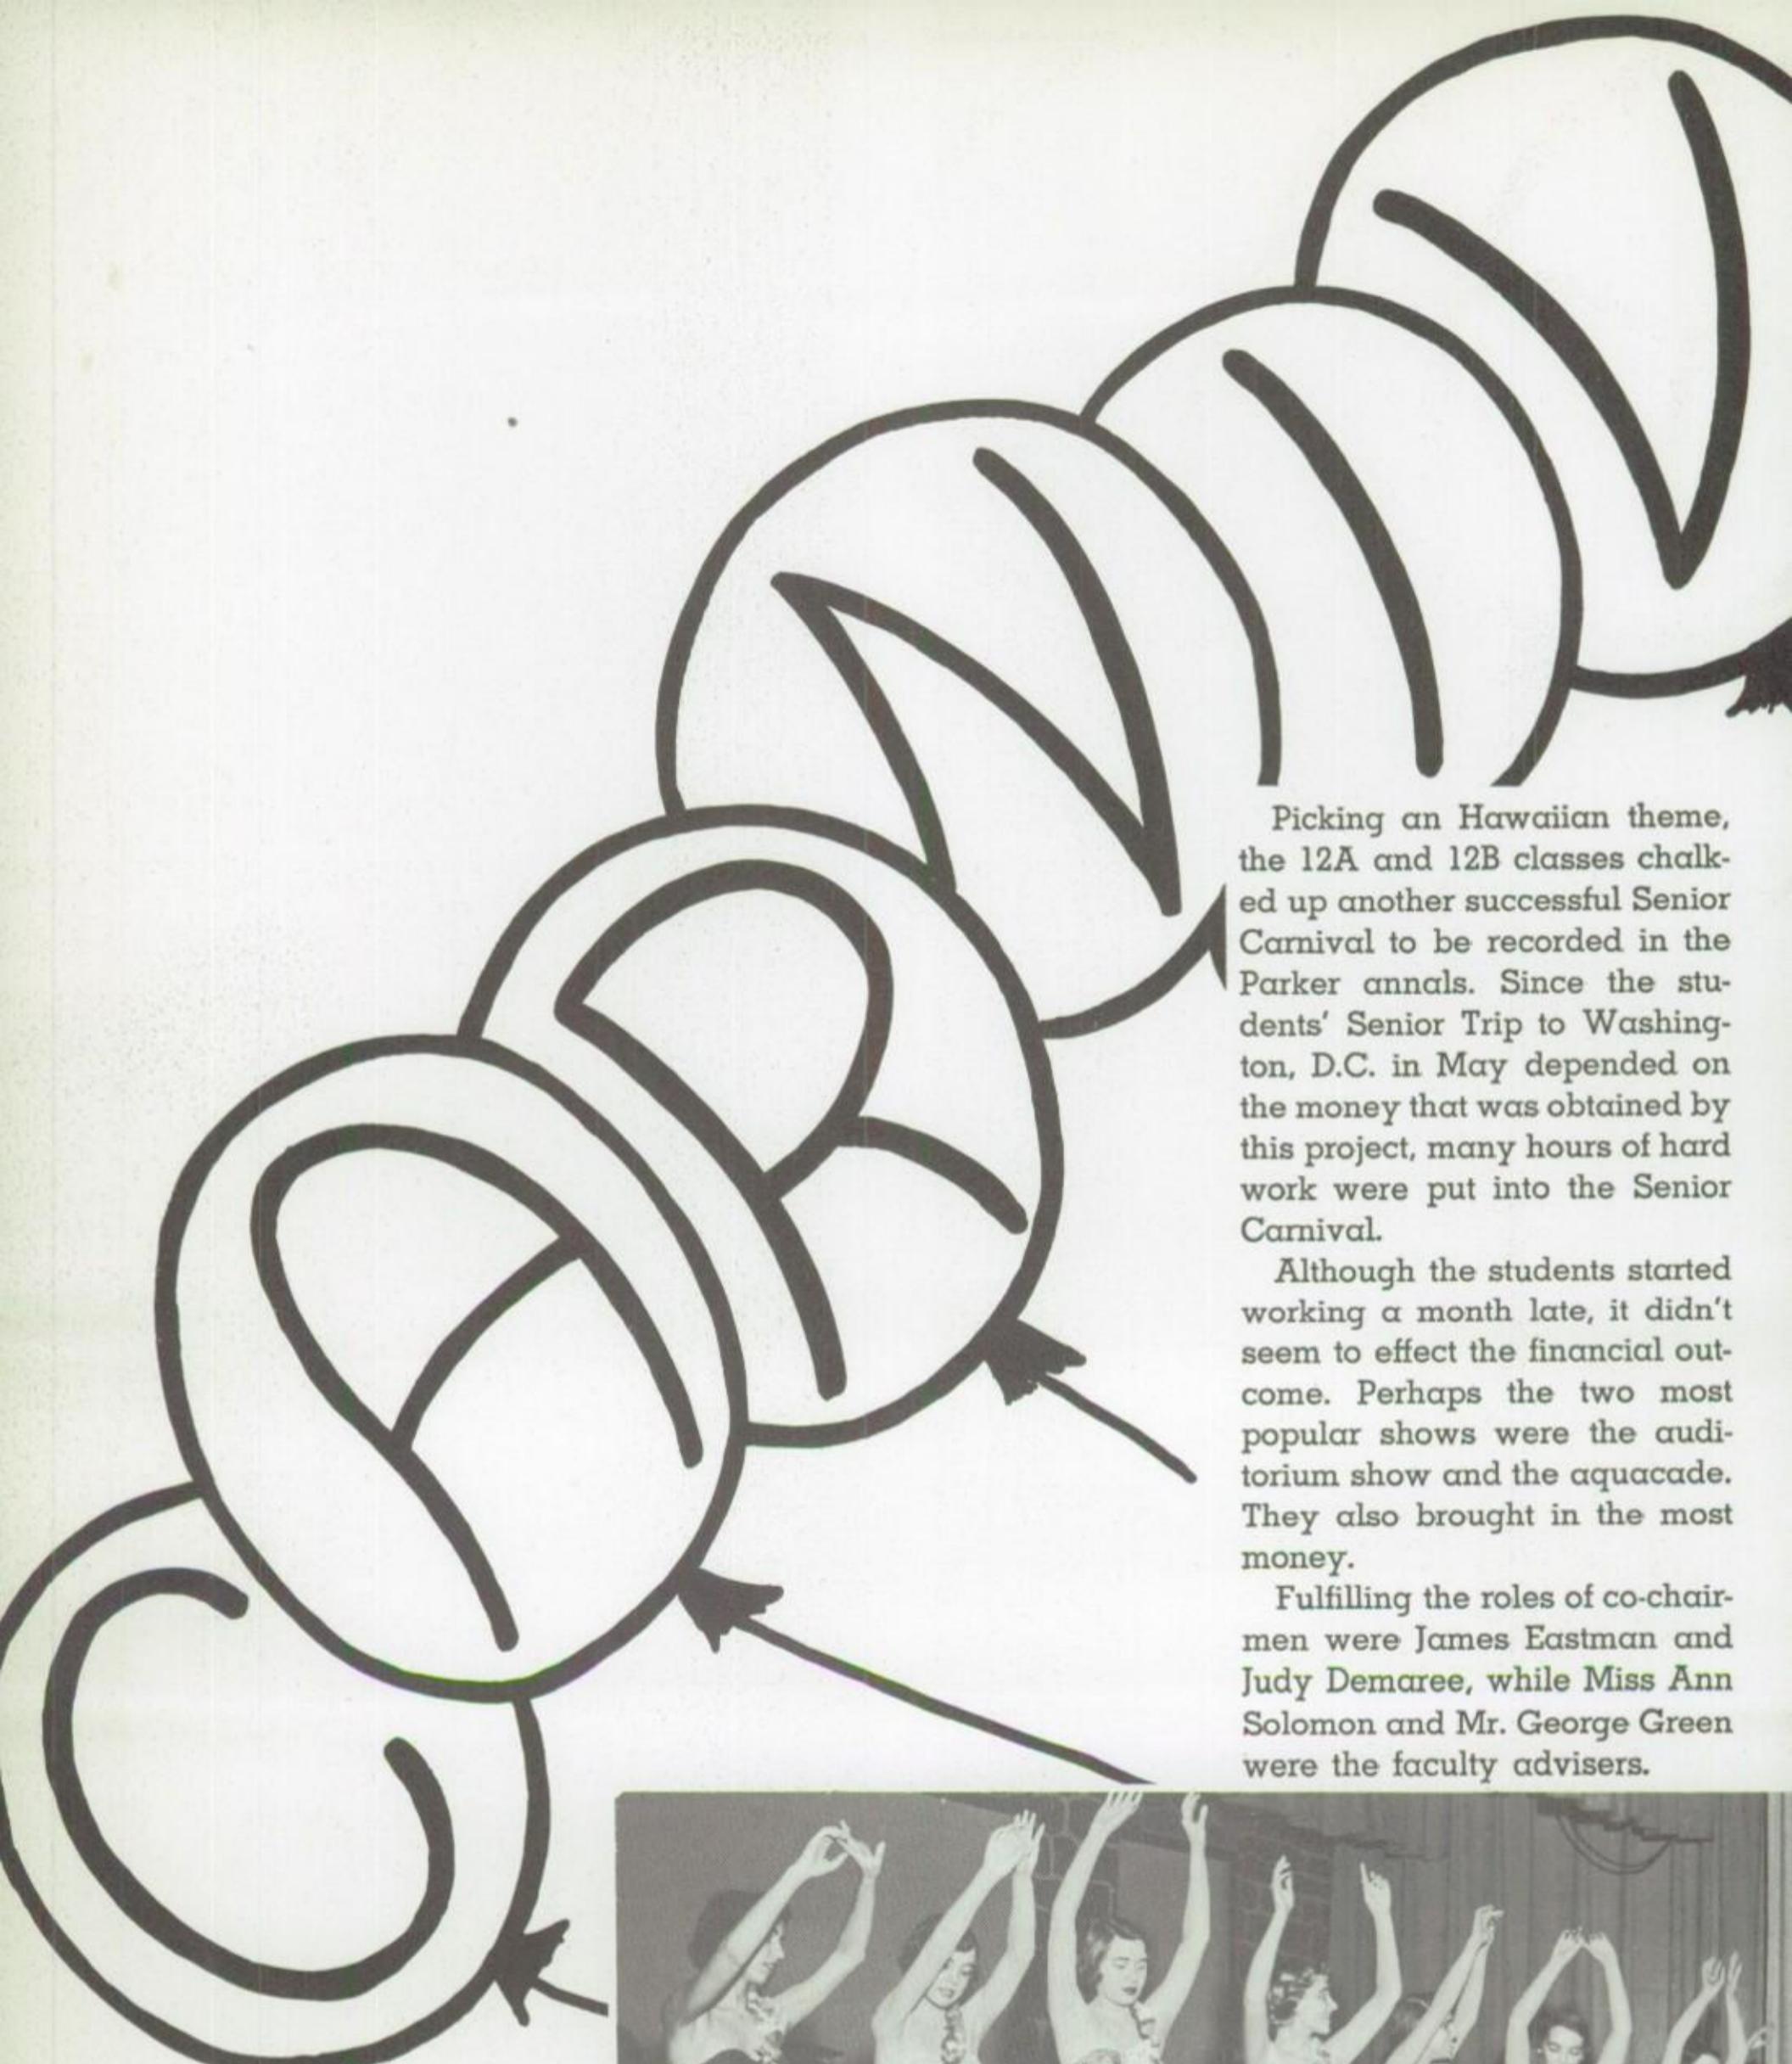

CHRISTMAS PAGEANT—The Holy Temple was the setting for the first of eight tableaux presented during this year's Christmas Pageant on December 22 in the auditorium. This was the 30th annual pageant presented by the music and art departments.

The music was supplied by the combined Concert and Junior College Choir under the direction of Mr. Roy Parsons, the Treble Clef with Mrs. Marion Kintz as director, and the Silver Strings with Mr. Dacho Dachoff directing. The tableaux and music took the audience back to the birth of Christ in that far-away city of Bethlehem. Douglas Runnels was "The Prophet."

Supervising the production of the artistic tableaux were Mrs. Cyril Miles and her assistant Mrs. Florence Rahles. Mr. Mack Palmer was in charge of the technical crew.

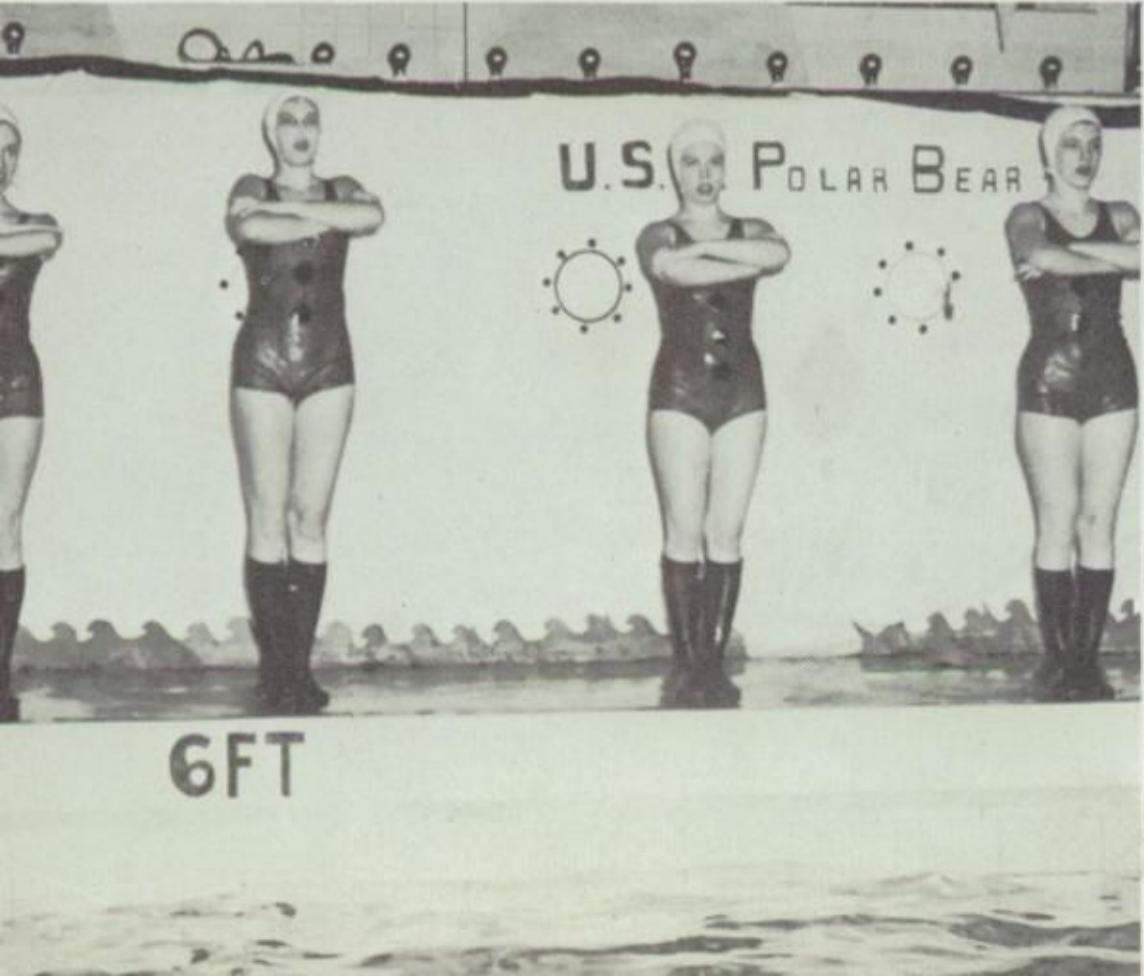

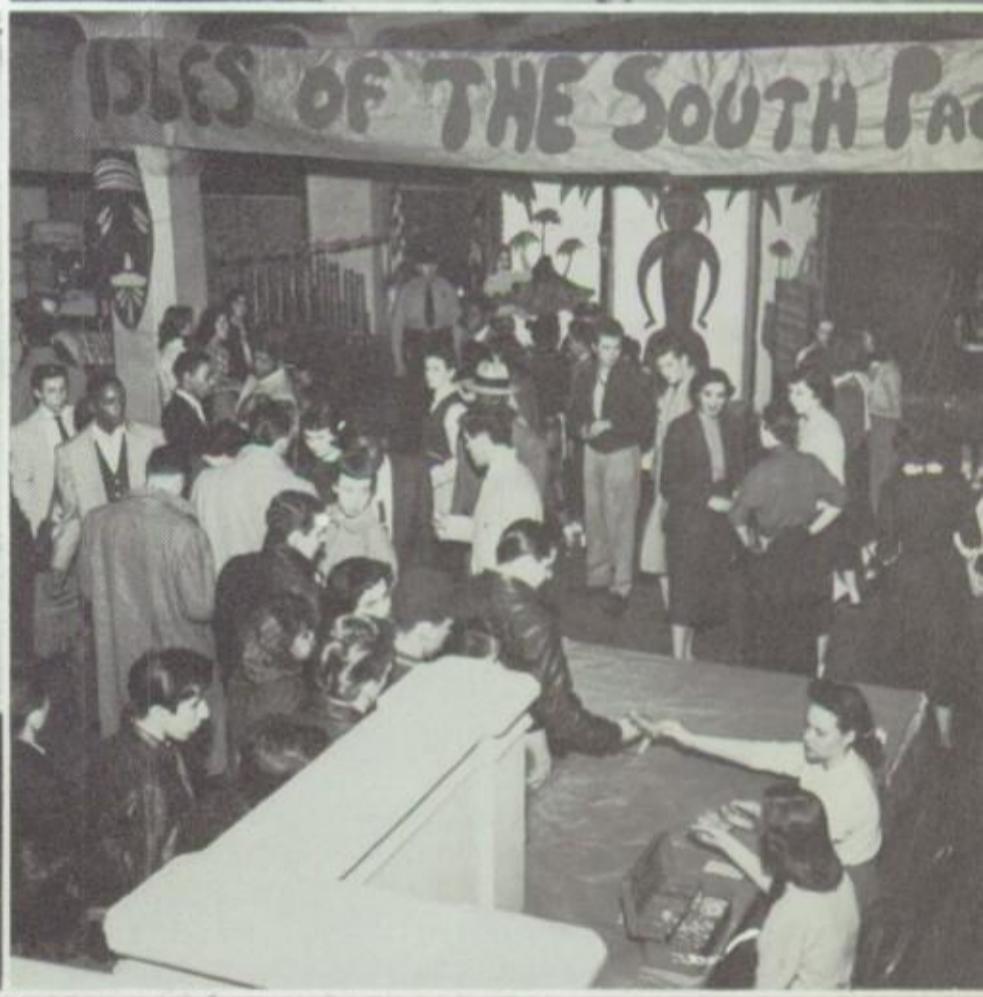

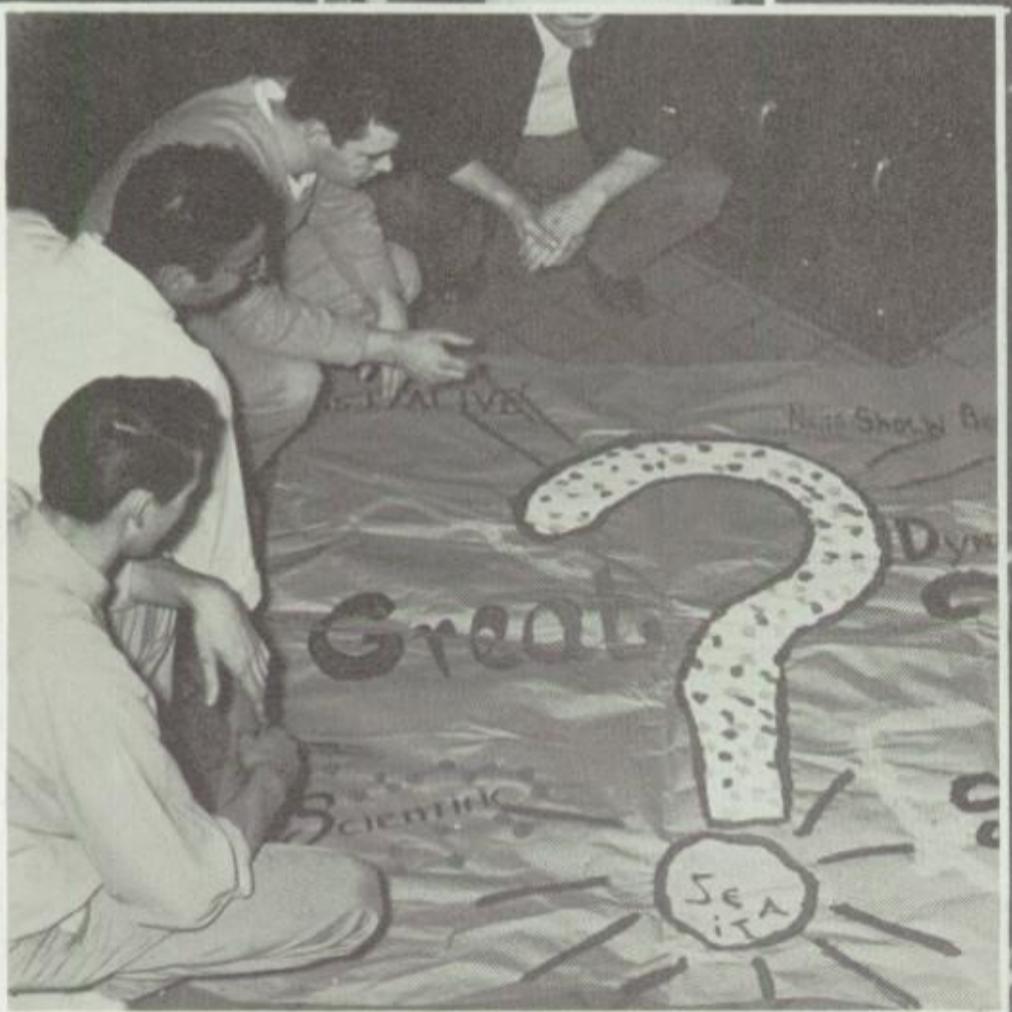

Picking an Hawaiian theme, the 12A and 12B classes chalked up another successful Senior Carnival to be recorded in the Parker annals. Since the students' Senior Trip to Washington, D.C. in May depended on the money that was obtained by this project, many hours of hard work were put into the Senior Carnival.

Although the students started working a month late, it didn't seem to effect the financial outcome. Perhaps the two most popular shows were the auditorium show and the aquacade. They also brought in the most money.

Fulfilling the roles of co-chairmen were James Eastman and Judy Demaree, while Miss Ann Solomon and Mr. George Green were the faculty advisers.

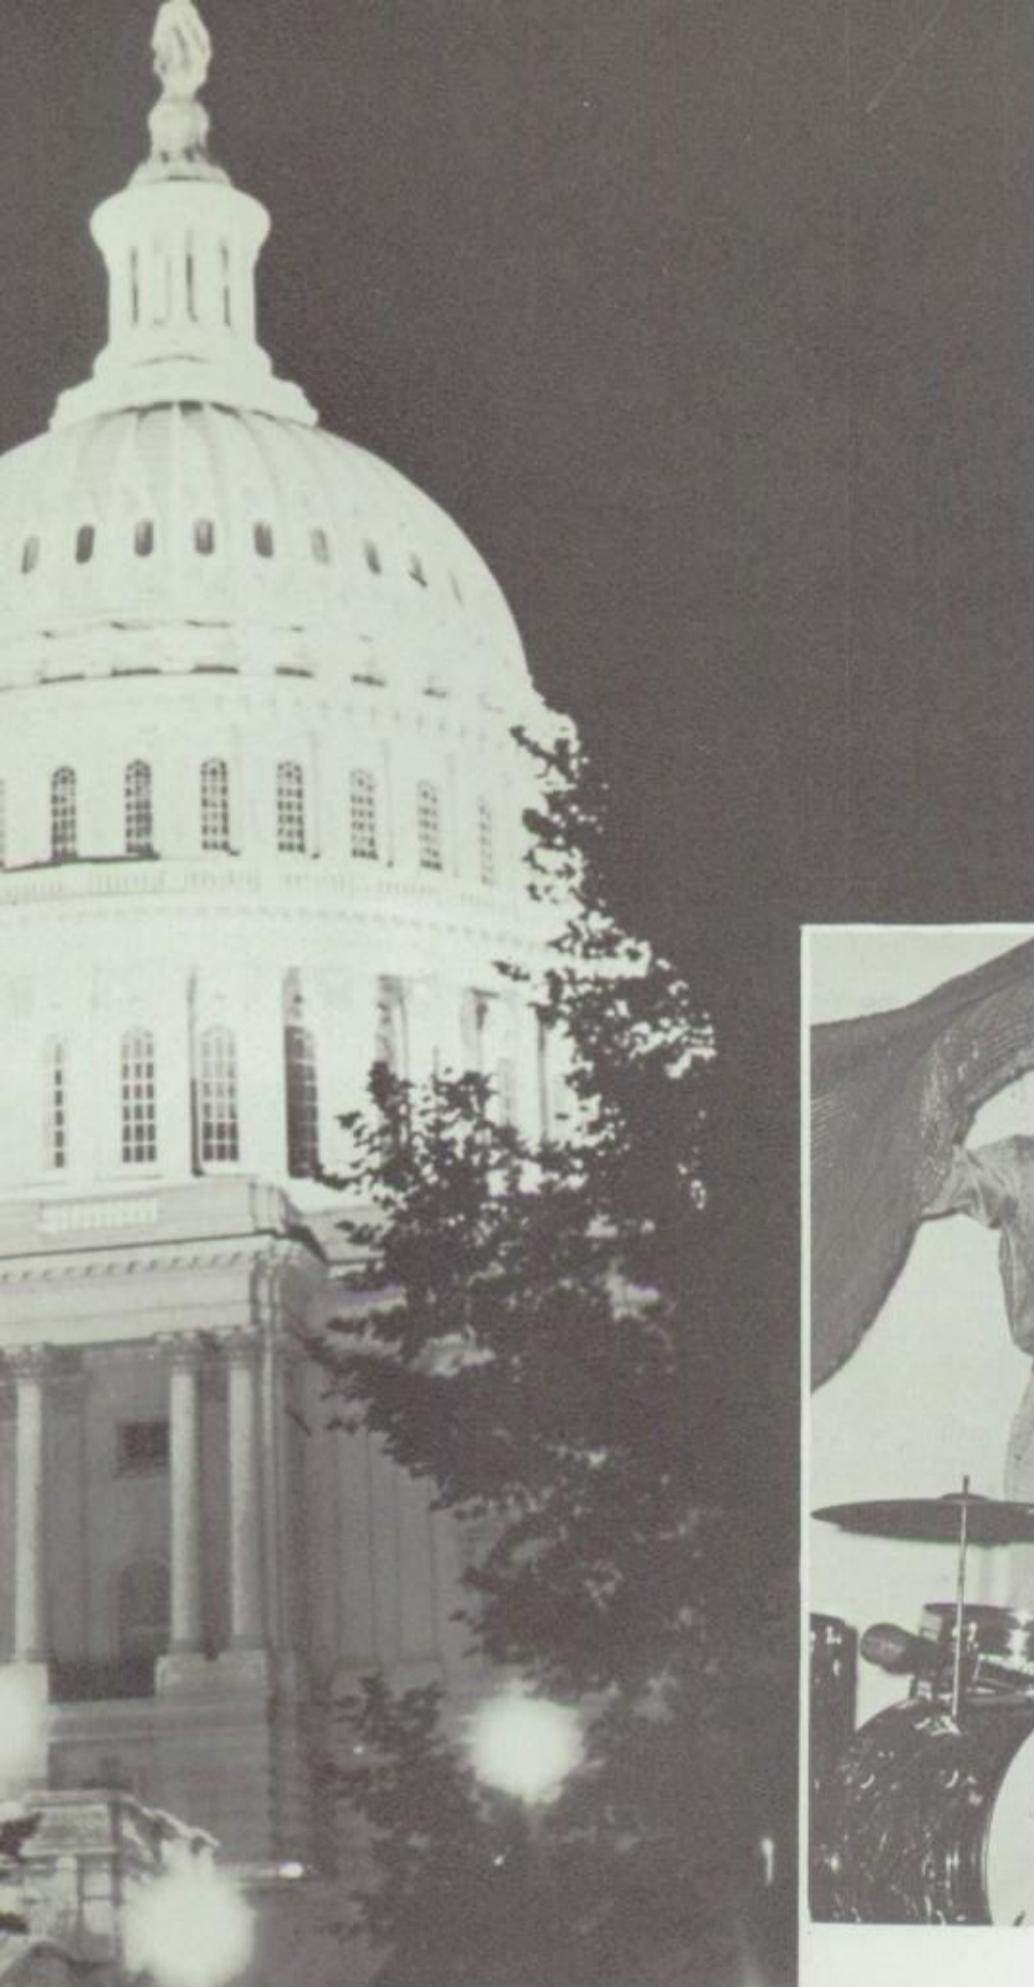

## Washington . . .

The annual Washington trip affords seniors the opportunity to participate in various activities. Among these are the popcorn sales shown in the top picture, and the January Carnival, one of the highest money-making events of the year. In the middle picture students are putting finishing touches on scenery, and at the right students are rehearsing an act for the auditorium show.

## . . . Or Bust!

Students in the top picture are busy preparing a coffee cup lounge for their parents at the Carnival, while the seniors in the middle photograph are hanging some of the background scenery for the gala auditorium show. A table for selling Carnival tickets is being decorated by the Parkers at the left.

The annual formal orchestra concert held on December 3rd highlighted this group's activities. Three lovely selections were the "English Folk Song Suite" by Ralph Vaughn Williams, "Toccata" by Frescobaldi-Kindler, and the brilliant American number "A Christmas Festival" by Leroy Anderson. The feature of the program was the Wayne University String Quartet's participation in the concert. The director of the Concert Orchestra is Mr. Dacho Dachoff. In the Spring, the opera "A Waltz Dream" by Oscar Strauss will be presented with the orchestra accompanying.

# Perform

The Orchestra also went to Ypsilanti February 20th for the Band and Orchestra Festival where groups from Southeastern Michigan met to play. The required Class A number was the "Lucille Overture" by Gretry. Others selected are the "Handel Suite" and Grieg's "In Balladenton" for string orchestra. The Silver Strings Ensemble is composed of Hildred Wessinger, Helen Raytis, Teria Houvas, Carol Usher, Barbara Brooks, Ruth Lampman and Bob Pool. The officers for 1953-54 are: Hildred Wessinger, president and concert mistress; Helen Raytis, vice-president; Gary Blalock and Carol Usher, secretaries; Jim Szalankiewicz, treasurer; Richard Dix, equipment manager, and Deanna Szalankiewicz, librarian.

The high school band, directed by Mr. John Blanock, was quite busy during the school year helping entertain the crowds during many of the football and basketball games. In addition to these athletic events, the band participated in programs such as the senior carnival, spring festival, assemblies, concerts, the Goodfellow's parade, and a Detroit Lions game. The annual band concert was, as usual, the tops. During the summer and fall seasons, members of the band have chances to attend music camps. Music scholarships may also be obtained.

# The Band

Highland Park's high school band won a second rating at the Ypsilanti contest this spring. Shown at the left from left to right are: Ronald Benson, Sgt.-at-Arms; John Summer, Sgt.-at-Arms; Milton Ekola, Pres.; Dick Brown, Vice-Pres.; Betti Vesteovich, Sec.; Hester Zilliken, librarian. (Standing) Paul Frederic, treasurer. Shown at the right from left to right are the school's drum majorettes: (standing) Julie Rashid, Beverly Sugamosto, Jeanne Marchildon, Elaine Valesamo, Kathy Seaman; (seated) Joanne Sugamosto, Betty Moore, Linda Townsend.

# Treble Clef and Ensemble

TREBLE CLEF — Each semester, Mrs. Marion Kintz selects various girls whom she thinks are talented vocally from her ninth and tenth grade Special Glee classes for the Treble Clef. Treble Clef has over sixty members and is noted for its excellent training and vocal abilities. They perform every year at various holiday assemblies and other affairs. Some of the girls of Treble Clef, at the end of the tenth grade, are recommended for the Concert Choir. Treble Clef's piano accompanist is Mrs. Marion Hicks. Singing for the teacher's convention at the Veteran's Memorial Building, taking part in the Christmas Pageant, and being the featured attraction in their annual Spring Concert were among the Treble Clef highlights for the year.

ENSEMBLE — The Ensemble is one of the most sought after vocal groups of Highland Park High School. This organization consists of the top-notch singers in the ninth and tenth grades. They are selected from Treble Clef by their director, Mrs. Marion Kintz. Ensemble's piano accompanist is Mrs. Marion Hicks. Their outstanding solo ability and the tone quality of their voices give a lovely harmonious effect. Some of the different assemblies they have taken part in are: the Orchestra Concert, the Nurses Association Convention, the Teacher's Association meeting, and their annual Spring Festival.

# Concert Choir and English Singers

**CONCERT CHOIR** — One of the best-known groups at our high school is the Highland Park Concert Choir. These vocally-minded students are noted for their skill at singing and perform for numerous occasions, including luncheons at the Statler Hotel, graduation commencement, and, of course, their annual Spring opera. Mr. Roy Parsons is director and Mrs. Helen Wortley, accompanist. Concert Choir meets three days a week the eighth hour. The majority of the students were recommended from Mrs. Marion Kintz's Special Glee courses, Mixed Chorus, Treble Clef, and the Ensemble. Most of the students are in the eleventh or twelfth grades, although there are some in the tenth grade.

**ENGLISH SINGERS** — The English Singers is a much respected vocal group at Highland Park High. It is directed by Mr. Roy Parsons, who is head of the vocal music department; Mrs. Helen Wortley accompanies them on the piano. This group is composed of the best singers from Concert Choir. The members are selected by Mr. Parsons through auditions. They are well-known throughout the city for their fine singing. Some of the numerous engagements this active group has taken part in are: singing for many of our holiday assemblies and school productions, plays, the Christmas Pageant, and the annual opera, "The Waltz Dream" by Oscar Strauss.

This year the Student Council is a newly organized student body composed of the Civic League and the Student Association. It now combines the upper and lower divisions as one unit. This enables the students to meet as one group to discuss common problems. Leading problems confronting the student body are brought before the council and discussed thoroughly, thus promoting goodwill and furthering better citizenship. Each homeroom sends its representative to the weekly meeting.

Since the two student bodies have combined, the Student Council has widened its scope of activities. It headed the very successful Torch Drive and distributed Thanksgiving baskets to needy families through the Welfare Fund. Also on its agenda was a 9-B mixer which acquainted the students with one another and Student Council representatives. Last fall the S.C. presented to the high school a plaque in memory of George Ligosky, to whom this book is dedicated.

# Men of Science

The Biology Club, under the supervision of Mr. John Kulju, conducts experiments and works on projects in order to further the interests and knowledge of the students in the field of plants and animals. Among the various activities that the club sponsors are field trips, lectures, and movies.

Last fall the club toured the Natural History Museum in Chicago and attended the Academy of Science held in Lansing.

The Science Club, which is advised by Mr. Harold Burch and Mr. Roger Skinner, was organized in order to further student interests in the field of science. Field trips, student demonstrations of science principles, hobbies concerning geology, radio, meteorology, aviation, science films, slide rule classes, and special speakers are among the club's many activities. Science contests are also entered. Last fall club president Ray Blake won an honorable mention in a national science achievement contest.

Shown above from left to right are: Nancy Matlock, Ruth Lampman, Loy Barker, Sandrea Smith, Andrea Smith, Bob Wiemer, Sandra Howard, Otto Dixon, Ray Reese, Donald Beaman, Lee Alvey, Keith Kennedy, Jerry Dayinian, Allie Restum, Bob Wonacott, Dale Boudrie, Phil Martin, Sue Williams, Bob Ozias, Russell Molitor, Pat Pier, Frank Chaustovwich.

Shown below from left to right are: (standing) Kenton Sicklesteel, Mr. Roger Skinner, Bob Geurin, Dave Miklik, Ed Becker, Bob Stonehouse, John Kassarjian, Mr. Harold Burch, Lenard Browning, Chuck Warren, Clyde Kinsey, Phil Baia, Dick Yarmy; (seated) Fred Hennemier, Dick Slagle, Jim Hovis, Bob Blough.

Horseback riding lovers of H. P. are at it again this season. Two of their favorite riding places are Lone Pine Stables and Roy's Ranch.

The club was organized for students who wanted to learn how to ride. The students also learn how to saddle horses and guide and handle them properly. The Riding Club meets on Monday nights under the guidance of Miss Dorothy Mortimer, Barber School teacher.

## Ivory Ticklers

Shown below from left to right are: (first row) John Blewett, Leon Thomas, Hattie Hill, Pat Anderson, Hester Zilliken, Julianne Horvath; (second row) Jim Vickers, John Martin, Kay Sipes, Margaret Becker, Barbara Floyd, Linda Hendon.

The Piano Club, with Mrs. Helen Wortley as sponsor, is composed of people interested in performing for an audience and gaining confidence in playing solos. For the past eight years, a "Solo Night" at the McGregor Library has been the highlight of the club's activities.

# Girls in White

Stimulating an interest in the nursing profession, the Future Nurses Club helps girls interested in nursing to meet entrance requirements to an accredited school of nursing in addition to giving them accurate, up-to-date information about the nursing profession. Under the capable supervision of Mrs. Helen Koltonski, one of the school's nurses, hospital trips and guest speakers are highlights during the year.

Shown above from left to right are: (seated) Gloria Maynard, Ozella Graham, Charlotte Lyons, Elreathea McClary, Mary White, Barbara Starks, Mary Still, Betty Ajemian; (standing) Mrs. Koltonski, Marilyn Ciocan, Pauline Paul, Elvera Hepola, Claudia Westerdale, Juanita McMahon, Barbara Harris, Erma Turner, Darlene Lank, Joyce Qualls.

## Plane Hobbyists

Shown below from left to right are: (seated) Richard Maskaitis, Dan Beauregard, Barry Dechant, Karl Spaeth; (standing) George Ray, Hamil Umphrey, Bob Smith, Floyd Hollis, Henry Nicholson, Mr. Jack Zook.

The Model Airplane Club, advised by Mr. Jack Zook, studies and makes solid and stick model planes as well as models of cars and trains. They also learn to install small motors in these models. The boys meet in the Vocational Building. There are no officers for this club of some ten boys.

# "Spec" Staffers

Shown above from left to right are: (first row) Carol McKillop, John Schuler, Phil Baia, Dick Yarmy, Doug Runnels, Joanne Bull, Dale Robinson, Arlene Mulligan, Paula Ruopp, Sharon Summers; (second row) Dick Vane, Ann Liu, Mary McLoskey, Judy Wilber, Mary Carter, Carol Ann

Carter, Ron Benson, Tom Chokreff, Nancy Johnson, Charles Lynch, Anna Tookoian, Helen Raytis, Edythe Grabil, Mary Seropoulos, Elaine Rasch, Lucretia Amodeo, and Rosalie Throgmorton.

Shown below from left to right are: (bottom row) Carol McKillop, John Schuler, Doug Runnels, Joanne Bull, Paula Ruopp, Sharon Summers; (top row) Mr. William Cunningham, Mary McLoskey, Dick Yarmy, Phil Baia, Dale Robinson, Arlene Mulligan.

The job of putting out a news-filled issue every two weeks keeps the Spectator staff busy. The staff, under the direction of adviser Mr. William Cunningham, co-editors-in-chief Jo-Anne Bull and Doug Runnels, and the page editors, works hard gathering information and writing stories. Then comes the demanding job of going to press on Tuesday nights and circulating the newspaper two days later through representatives from every homeroom. This year the Spectator staff attended the Michigan State Journalism Conference, the Spectator again receiving Class A All-State Honors.

# Unity Builders

Better understanding and co-operation are two of the main goals which the members of the Intercultural School Council strive for.

Annually the members of this organization send, of their own free will, Christmas gifts to the underprivileged Navajo Indian children of Shiprock, Mexico. They also sponsor a basketball game each year and send their proceeds to the Navajo School.

During the club meetings, the members discuss racial difficulties and other problems which arise in and out of the school. Mr. Harvey Jackson and Mrs. Cleo Chapekis are the advisers.

A very active club around Highland Park is the International Club, advised by Mrs. Ruth Murphy. The main object of this organization, composed of students from ten nations, is to better acquaint these students with the American way of life. Their activities include discussion panels in which they exchange ideas on native countries, social affairs and field trips. The field trips included trips to the University of Michigan Campus to observe a typical American college, Cedar Lake Conservation Camp, an automotive assembly line and the Ford Rotunda. In composing their own constitution, the club experienced democracy in action.

Shown above from left to right are: (first row) Mr. Harvey Jackson, Marilyn Fielder, Beverly Thompson, Betty Bjorn, Gail Turbeville, Ken Ervin, Hattie Hill, Mrs. Cleo Chapekis; (second row) Elizabeth Kelly, Joyce Thomas, Doris Conerly, Titus McClary; (third row) John Watson, Coral Kosikowski, JoAnn Gelzer, Ralph Cooper, Willie Williams, Percy Lyle, Robert Strozier, Ara Outlaw.

With the sale of ceramic pieces and contemporary posters for different organizations, the Art Club hopes to gain a firm standing in contracting much of the advertising work about the school. Under adviser Mr. Alfred Burke, much of the work has been completed on putting the club on a sound basis as it was organized the second semester. The club is composed mainly of members of Homeroom 74.

The German club was organized two years ago. Through the hard work of the members and under the able direction of Mr. Harold Simon, this club has made its mark here at Highland Park.

They have had programs for German students and discussed both American and German customs. A German hotel served a stylish dinner for one of the club's top activities. They also promote German procedure at their meetings.

The French Club is composed of members of French classes who qualify for membership. The club exists mainly for philanthropic work. It also offers many opportunities for social activities. Through group activities the members meet their charitable objectives.

The club's special activity during the first semester was the French language presentation for the faculty. This consisted of members who were interested in ballet and French folklore.

## Spaniards

Bake sales and field trips are but a few of the activities that the Spanish club participates in. The raising of funds for Christmas baskets and the distribution of them proved to be the highlight of the year. Any student who has had previous study in the field of Spanish is welcome to join, providing they can pass the Spanish initiation.

In order to further speech activities throughout the school, the Forensic Club takes part in the Border Cities League Speech conferences, oration contests, and school assemblies, which are annual events throughout the year.

The biggest social function of the club is the annual "Spinster's Spin," a girl-ask-boy dance. Officers for this fall were Nancy Wimmer, president; Douglas Runnels, vice-president; Carol McKillop, secretary; John Lane, treasurer, and Peter Pekkala, sergeant-at-arms. The club is advised by Mr. Merle Smith.

Sweeping the last four debates of the season entitled the local "Podium Pounders" to a plaque for outstanding achievement and qualified them for state final competition.

The affirmative side of the Direct Election resolution, upheld by Joanne Bull, Adrienne Kirk, Carol Thomsen, Nancy Wimmer, and Captain Doug Runnels, ended the season with a six and two record.

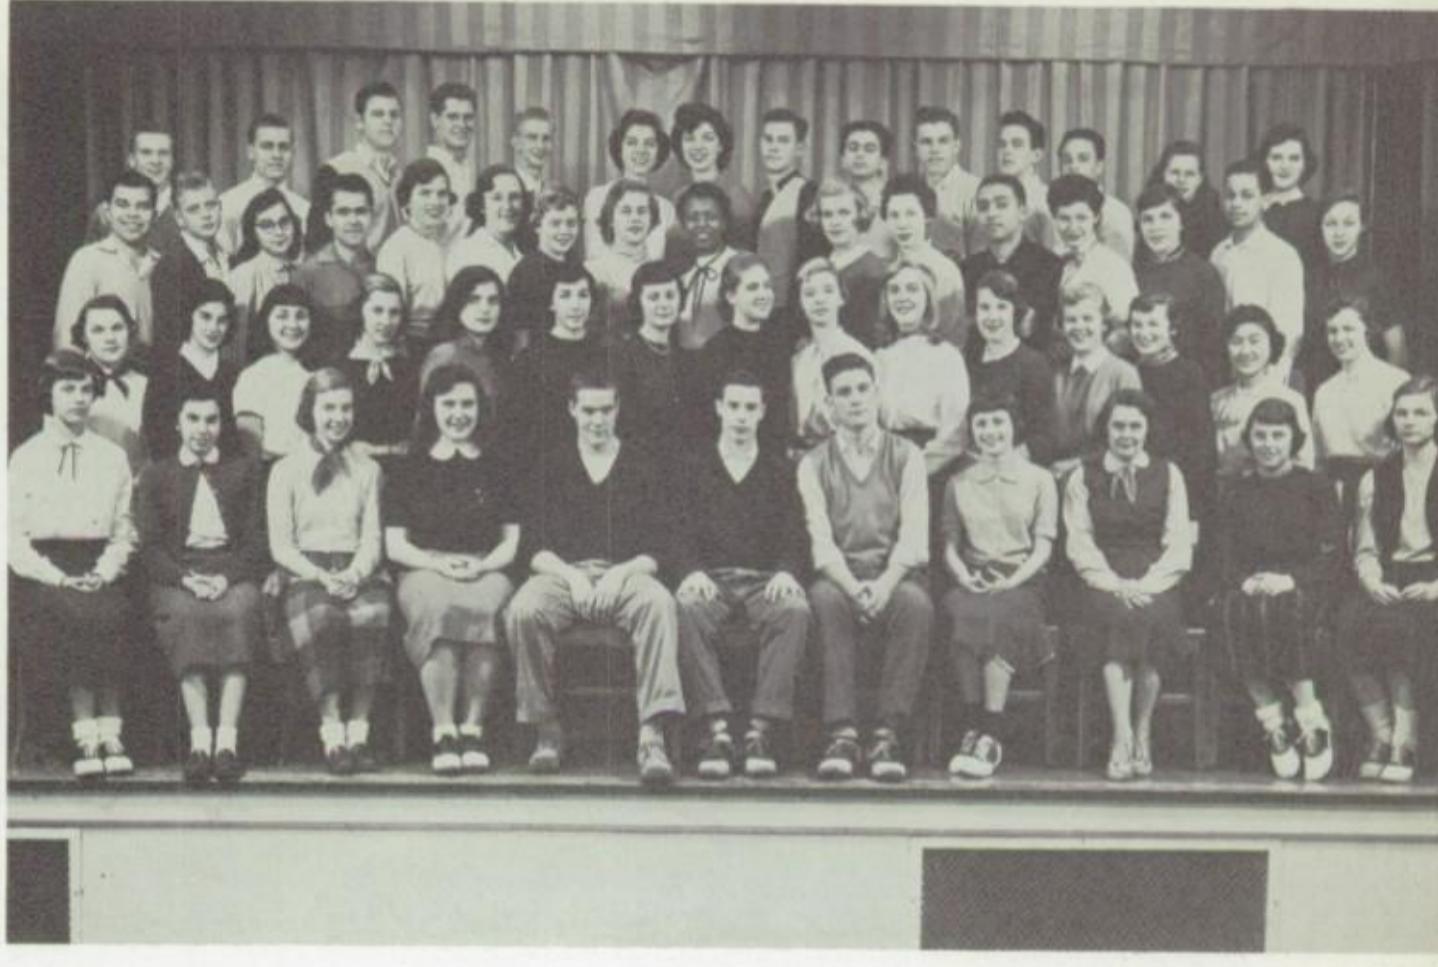

Florence Johnson and Virginia and John Schuler received three favorable decisions out of eight for the negative. Mr. Merle Smith, coach, named Ruby McArthur and Leonard Brown as the outstanding reserves.

# "On With the Show"

Those who obtain talented ability through acting or who are interested in backstage properties will find their enthusiasm stimulated in the Dramatics Club. The purpose of the club is to develop a student's known talent and to discover any untried talent. This training and interest furthers the member's dramatic ability. Through this encouragement they are able to gain points, thus enabling them to gain membership in the National Thespian Society. Those interested in stage production, directing, costumes, and lighting also take an active part in the club.

The National Thespians, sponsored locally by Mrs. Mary Kay Frazer, is both non-secret and non-social. Members are chosen for their ability to obtain a sufficient amount of points through their dramatic performances or by technical work in stage productions. They must earn a minimum of 10 points. Twice a year the Thespians hold a banquet to initiate new members and welcome them as National Thespians.

Officers of this honor organization were: president Helen Raytis, vice-president John Schuler, secretary and treasurer Judy Demaree, sergeant-at-arms Don Johnstone, program chairman Mary Bradford.

With their new adviser Mr. Ray Mondro, the Lettermen's Club has sponsored dances, sold sports programs, and staged the annual mock basketball game. One letter in any varsity sport makes a 10th grader or higher eligible for membership, although he is not officially a member until he has been thoroughly initiated.

The main purpose of this organization is to keep the reputation of the boy's athletic teams in a high bracket with other schools in the state in sportsmanship and fair play.

Dances and athletic activities keep the Girls' Athletic League quite busy from the time members are initiated until their graduation from school.

Close cooperation and good sportsmanship among the many members keeps the club's rating in a successful groove. At each of the sport events, the blue & white shakers one sees waving in the air are products of the handy G. A. L.s. The adviser is Mrs. Virginia Berryman.

The Future Librarians Club, under the direction of Mrs. Jeanne Eble, is organized to acquaint students with library work. One must be on the library staff to belong to the club. The experience is helpful in obtaining part-time library work before or after graduation. The officers of the club are Leo Corradi, president; Jack Daghalian, vice-president; Pat Reed, secretary and treasurer. Movies, talks, and field trips to the University of Michigan, Wayne University, and Detroit Public Library are on the agenda each semester.

Shown above from left to right are: (first row) Roupen Daghlian, Leo Corradi, Pat Reed, Mrs. Jeanne Eble; (second row) Robert Russel, John Blewett, Calvin Luke, Paul Petrie, Berton Leon, Richard Sinelli.

## Books and Bows

Hoping to produce a team which will compete with other schools, the Archery Club is well underway towards its goal. The club was organized last fall by Allen Calfin and Karl Spaeth. These boys wanted a place to practice, so they sought the help of Mr. Jack Franz, who is now their club advisor.

Contests among themselves, movies, and talks by expert archers are among the club's future activities.

# Press Feeders

The Typographical Society, advised by Mr. James Stark, meets in the printing shop where they learn the fundamentals of printing which will aid them in their careers as printers. They do all of the school printing and also make tags for basketball games to earn money. During the semester the boys take various trips to printing companies, highlighted by a dinner to honor the graduates at the end of the school year.

Shown above from left to right are: Tom Chokreff, Jim Szalankiewicz, Joe Witherspoon, Jim Watts, John Baltes, Jim Boyle, and Ronald Luff.

## Projection Perfectionists

Shown below from left to right are: Dan Beauregard, Richard Maskaitis, Don Cheger, Jim Powell, Bob Hall, Paul Thompson, Mr. George Hoyt, Pinkney Durham, Evan Bletzas, Chuck Wakely and George Ray.

"Lights Out, Roll 'em" is a familiar phrase well known to the members of the Movie Operators Club. These are the boys who run our noon movies and assembly films.

Besides learning to run a movie projector, these students learn to use tape recorders, slide projectors, and other types of audio-visual machines. The trained members of this club are issued official licenses which enable them to use the movie equipment at any time.

For the first time at Highland Park High, boys have organized a Hi-Y Club, which was started earlier this year. The purpose of the club is "to create, maintain, and extend throughout the school and community high standards of Christian character," as was quoted from their constitution. Their projects included candy cane and Christmas tree decorations sales. Mr. John Kulju is the advisor.

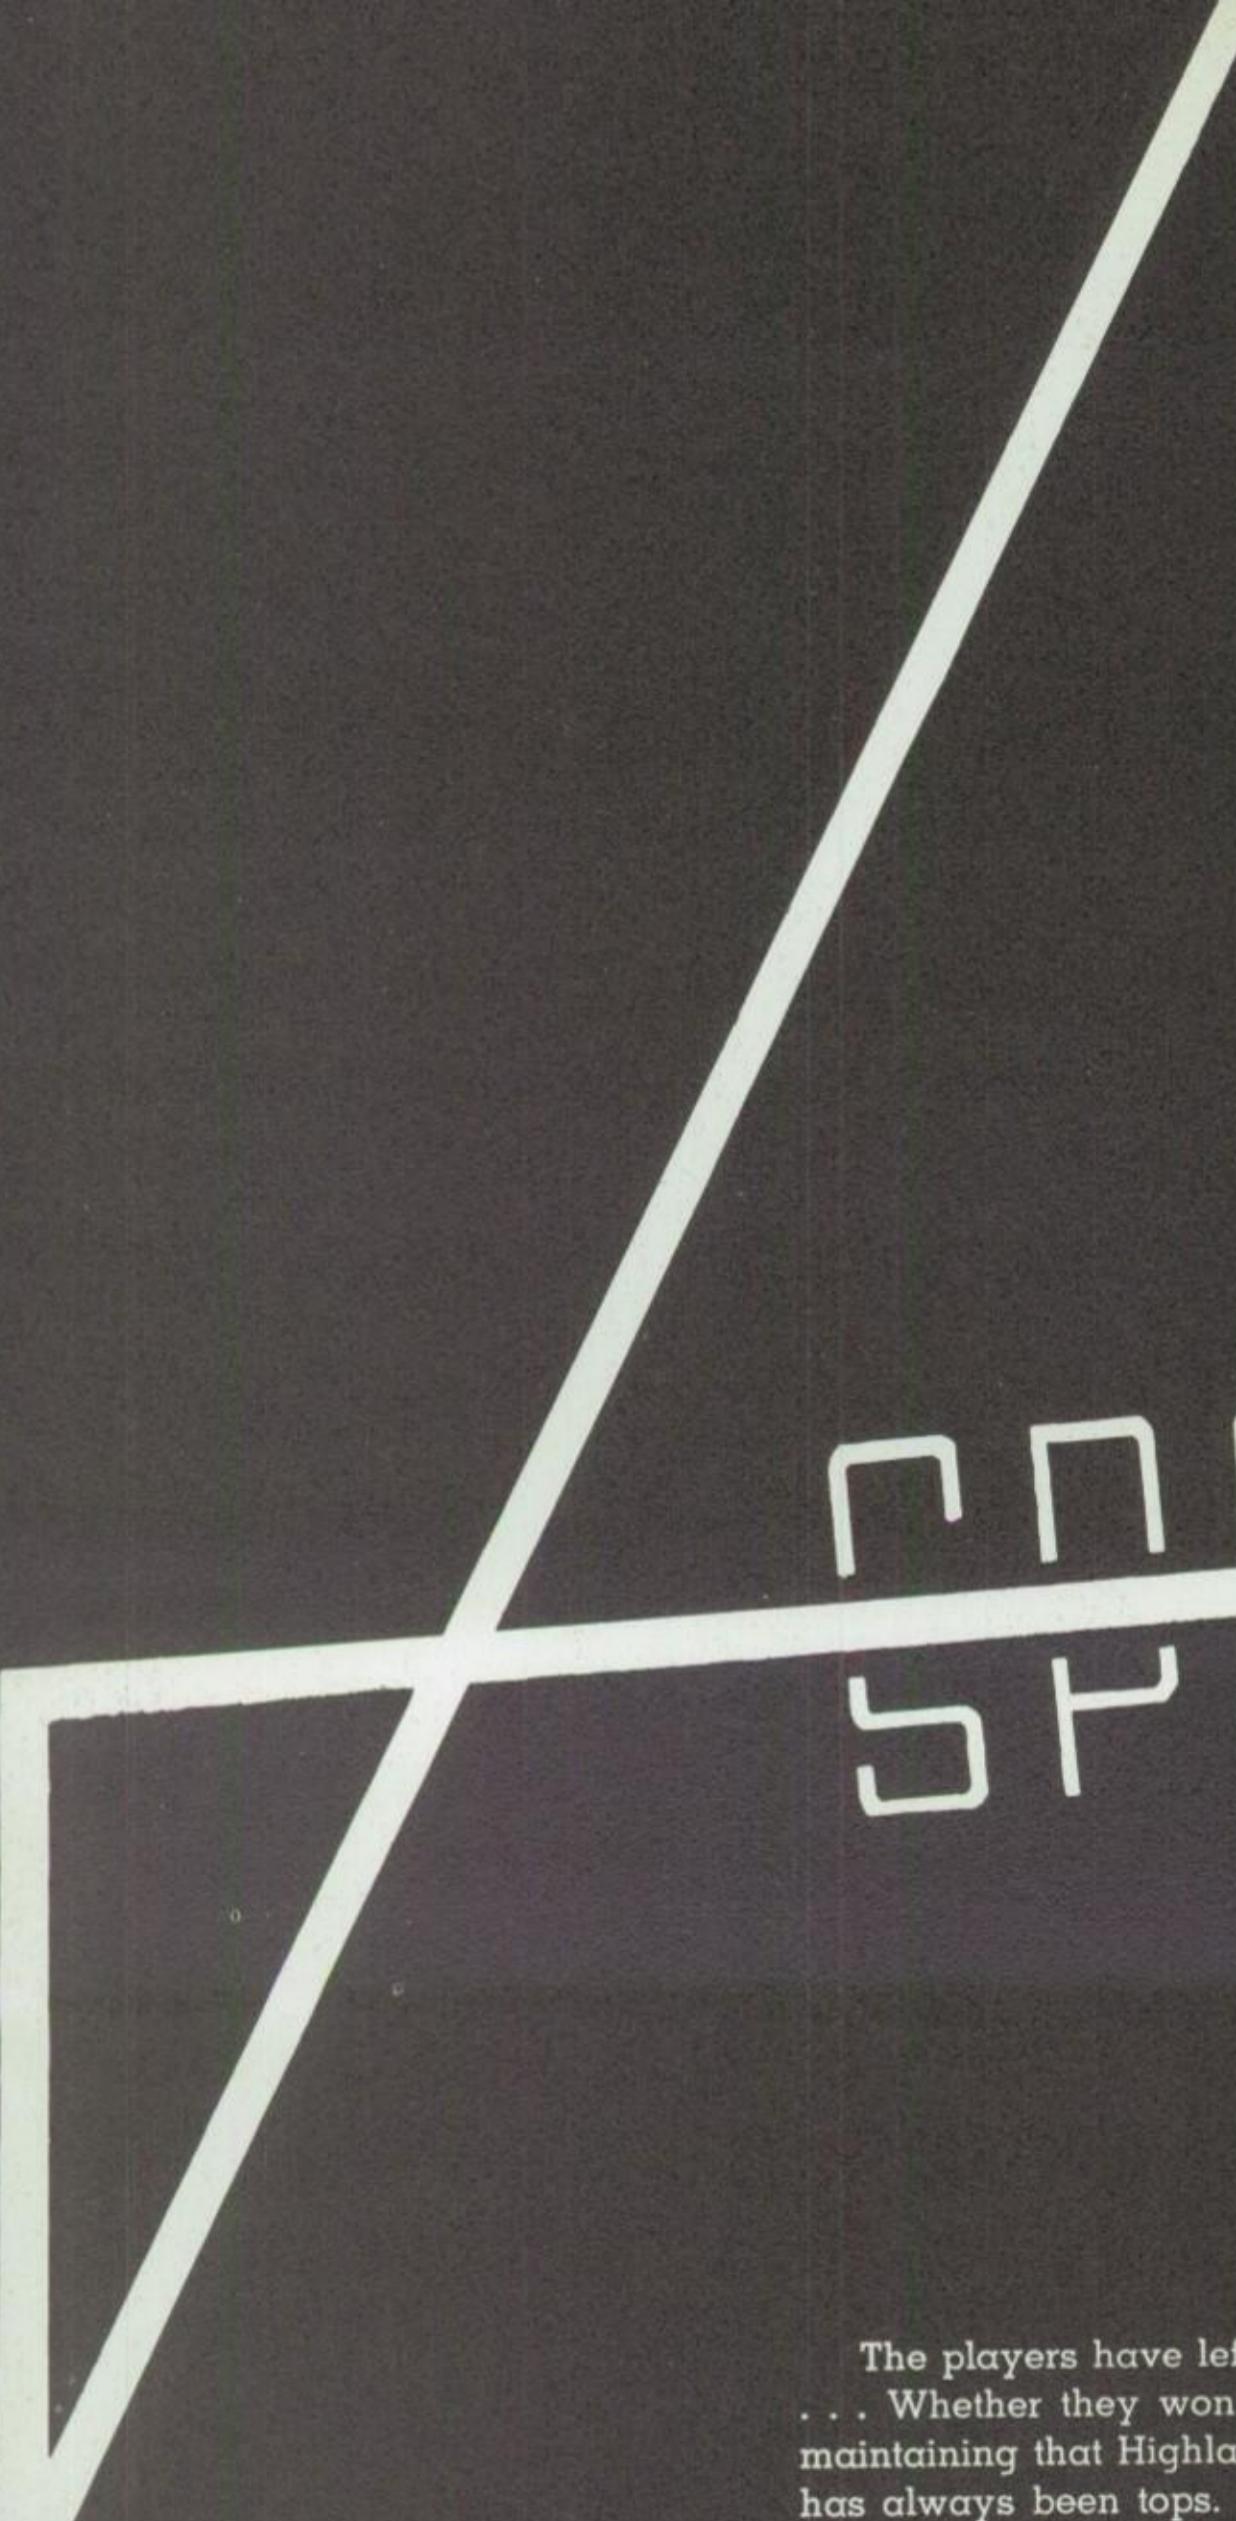

Shown above from left to right are: (first row) Phil Pixley, Charles Hess, Joseph Alvey, Bill Bright, Bruce Nordman; (second row) Charles Mix, Steve Smith, Gary Demark, Don Beaman, Ralph Cooper, Bill Stevenson, Tom Jackson, Jack Bushek.

The Tri-Hi-Y club is composed of fourteen Christian girls who get together for social fun. It is sponsored by Don Davis of the YMCA staff. The purpose of the club is "to create, maintain, and extend throughout the school and community high standards of Christian character." Among their activities have been a splash party and an April Fool's Day Dance.

# SPORTS SPURS

The players have left . . . The locker room is empty . . . Whether they won or lost, they strived fervently, maintaining that Highland Park High School spirit that has always been tops.

Shown above from left to right are: (top row) Van Chandler, Dave Surles, Tom Lewis, Phil Hay, Jack Stolle, John McMeekins, Jim Stevens, Willard Simmons; (second row) Ernest Johnson, Ara Michaelian, Jim Munson, Terry Bross, Gordon Grantham, Dave Northcross, Jim Mills, Phil Baia, Ron Coosaia.

## Gridders

Hard practice along with good sportsmanship during hot August and chilly October led to a sad ending for the Parker eleven. Every conceivable attempt to win was tried, but all Parker scores were losing ones. Even the switch to a "T" formation and Coach Alex Loiko's "Razzle-Dazzle" play failed to gain a victory. Since only six lettermen are departing, Coach Loiko has high hopes that the returning players will put their past experiences to H.P.'s advantage. Gridders who played their last season were Ron Coosaia, Gordon Grantham, John Lane, Ara Michaelian, Joe Sandifer, and Vartkes Tadian. Ara and Joe were the team's co-captains.

Of the 110 Parkers who tried out in September, only 45 boys stayed with the team through all the season's shortcomings. At the close of the eight games, Coach Loiko chose quarterback George Rakolta as the most valuable offensive player and right halfback Dave Northcross as the best defensive player.

## Record-Breakers

Eighteen was the number this year as the fabulous Polar Bears, led by Coach Jim Wink, trampled a royal path of victories over rival schools. Highland Park mowed down opponent after opponent, then marched to the Regionals where Hamtramck, Ferndale and Royal Oak collapsed under the "Bear" paw. A new scoring record was set by George "Baby" Duncan during the season as his 43 points shattered the old mark.

Being captain of the All-State team, Baby was right at home on the pin-striped court. He was picked captain by his teammates and also made All-State. Another George, as near-famous as his colleague, is George Lee. All six feet, three inches of him were dedicated to the greatness of the team which he helped to make Regional champions.

"The Quiet Man" of the five Winkmen was Donald Anderson. He was a hard worker on the court and was looked up to as one of the finest examples of good hard play and fine sportsmanship by all the followers of the team. The fellow known for his deadly set was Rabon McHenry. When the Parkers played numerous B.C.L. teams, all enemy power was concentrated on the other members of the team so Rabon had a field day of beautiful sets.

Well to be remembered for his tricky foot-work and quick, wise thinking was Dick Brown. His trickiness fooled many an opponent.

Dependable, good ball handlers describe the other members of the team which included Jerry Fields, Willie Russel, Bob Wegert, Don Schwitter, Joe Wussels, and Cornel Vanciu.

# 1 - 2 - 3 Let's Go!

Shown above from left to right are: (first row) Pat Forhand, Ruby Hill, Pam Merrill, Sharon Wilson; (second row) Carolyn Berta, Shirley Speckin, Julia Paterson, Geraldine Oikari.

Loud clear voices, lots of enthusiasm, and a keen sense of rhythm all combined to make this year's Highland Park cheerleading team the great one that it was. During a field trip to Ann Arbor in October, they had a chance to cheer at the University of Michigan-Northwestern game.

The reserves cheer at all home activities along with the varsity squad, but only the varsity is able to cheer at away games. One unexcused absence from their strenuous practices automatically drops a cheerleader from the squad. Three excused absences is the limit.

Shown below from left to right are: (first row) Helen Haitalan, Mildred Nelson, Jill Arnold, Ann Liu; (second row) Judy Demaree, Margie Koivu.

# Mercury-men

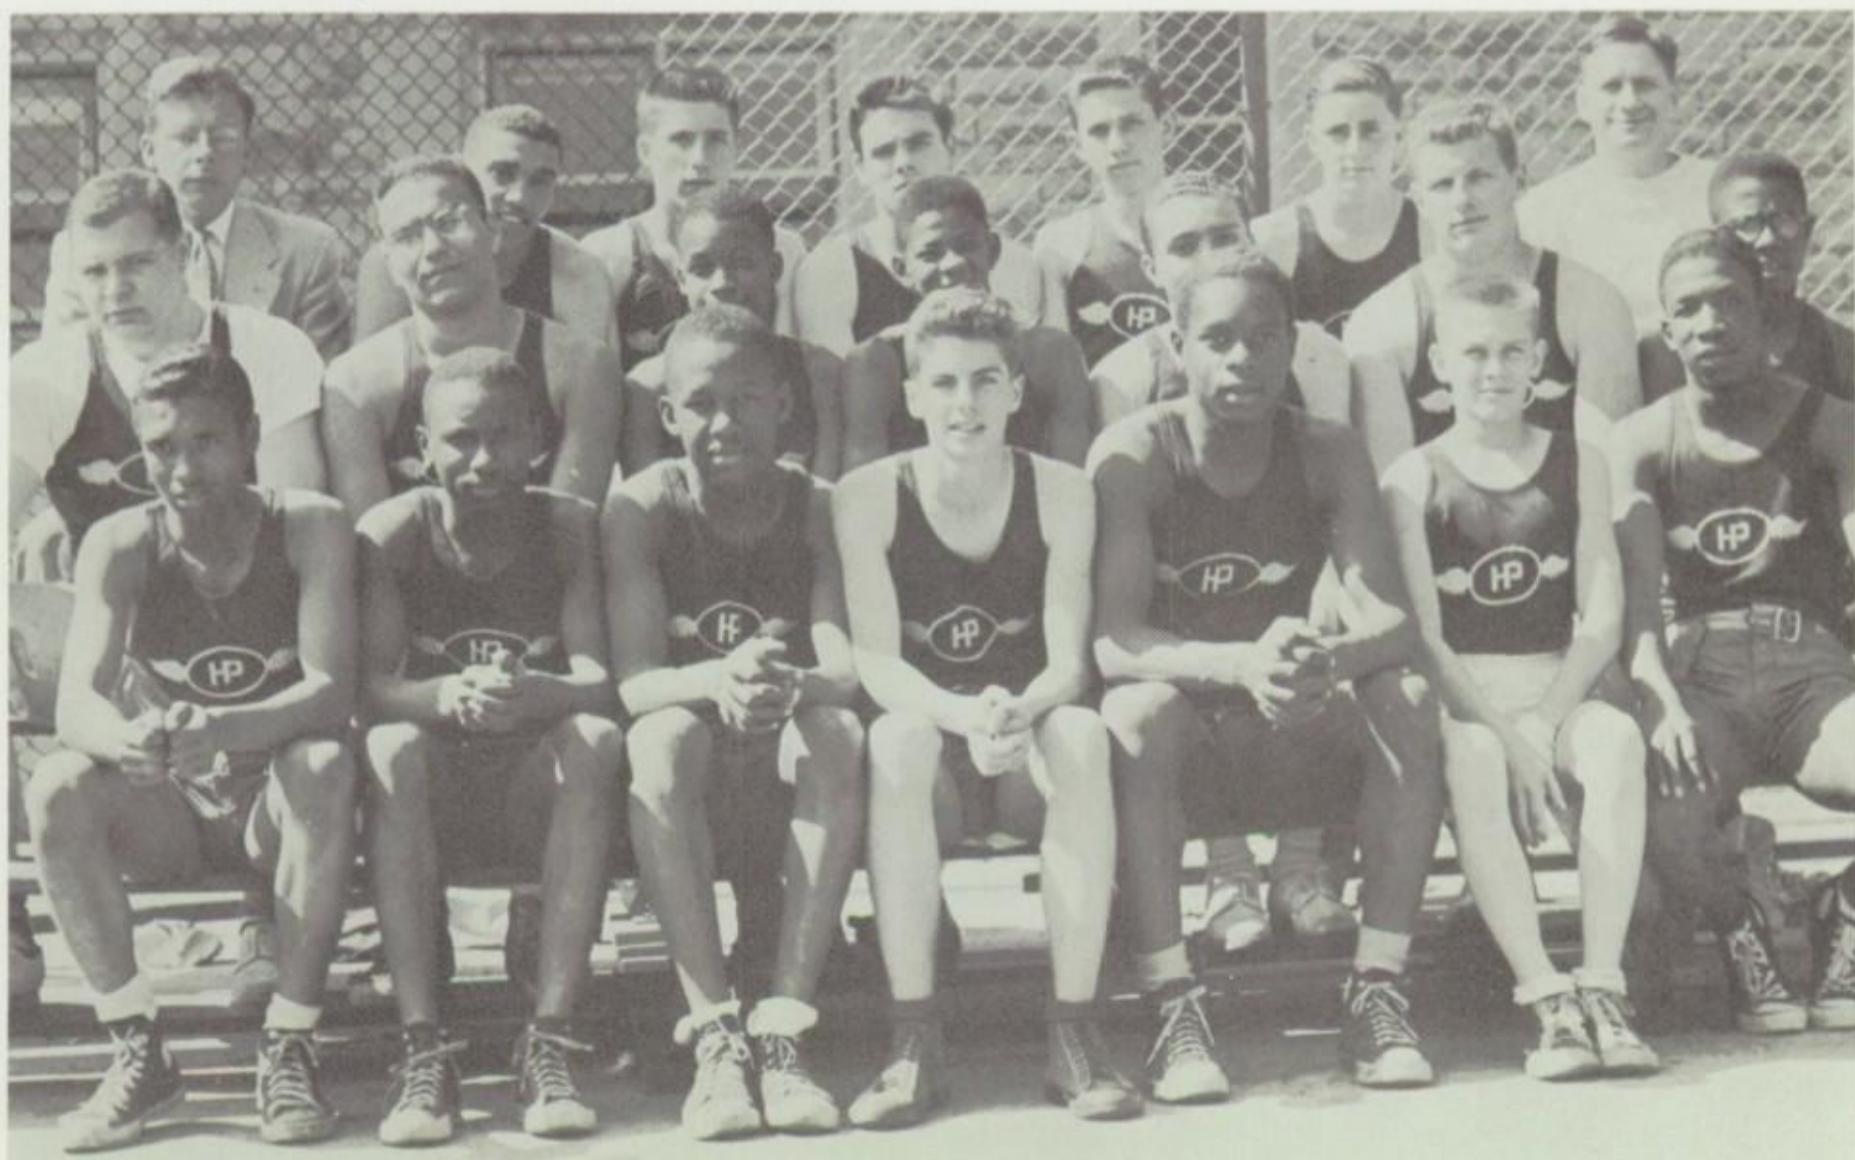

The Cross Country Team had a record of two wins and one defeat. Terry Dumas was the top scorer with two firsts, with Art Pernell, James Williams, and LeRoy Blount following him. This was the first Cross Country Team since Highland Park left the Metropolitan League in 1945.

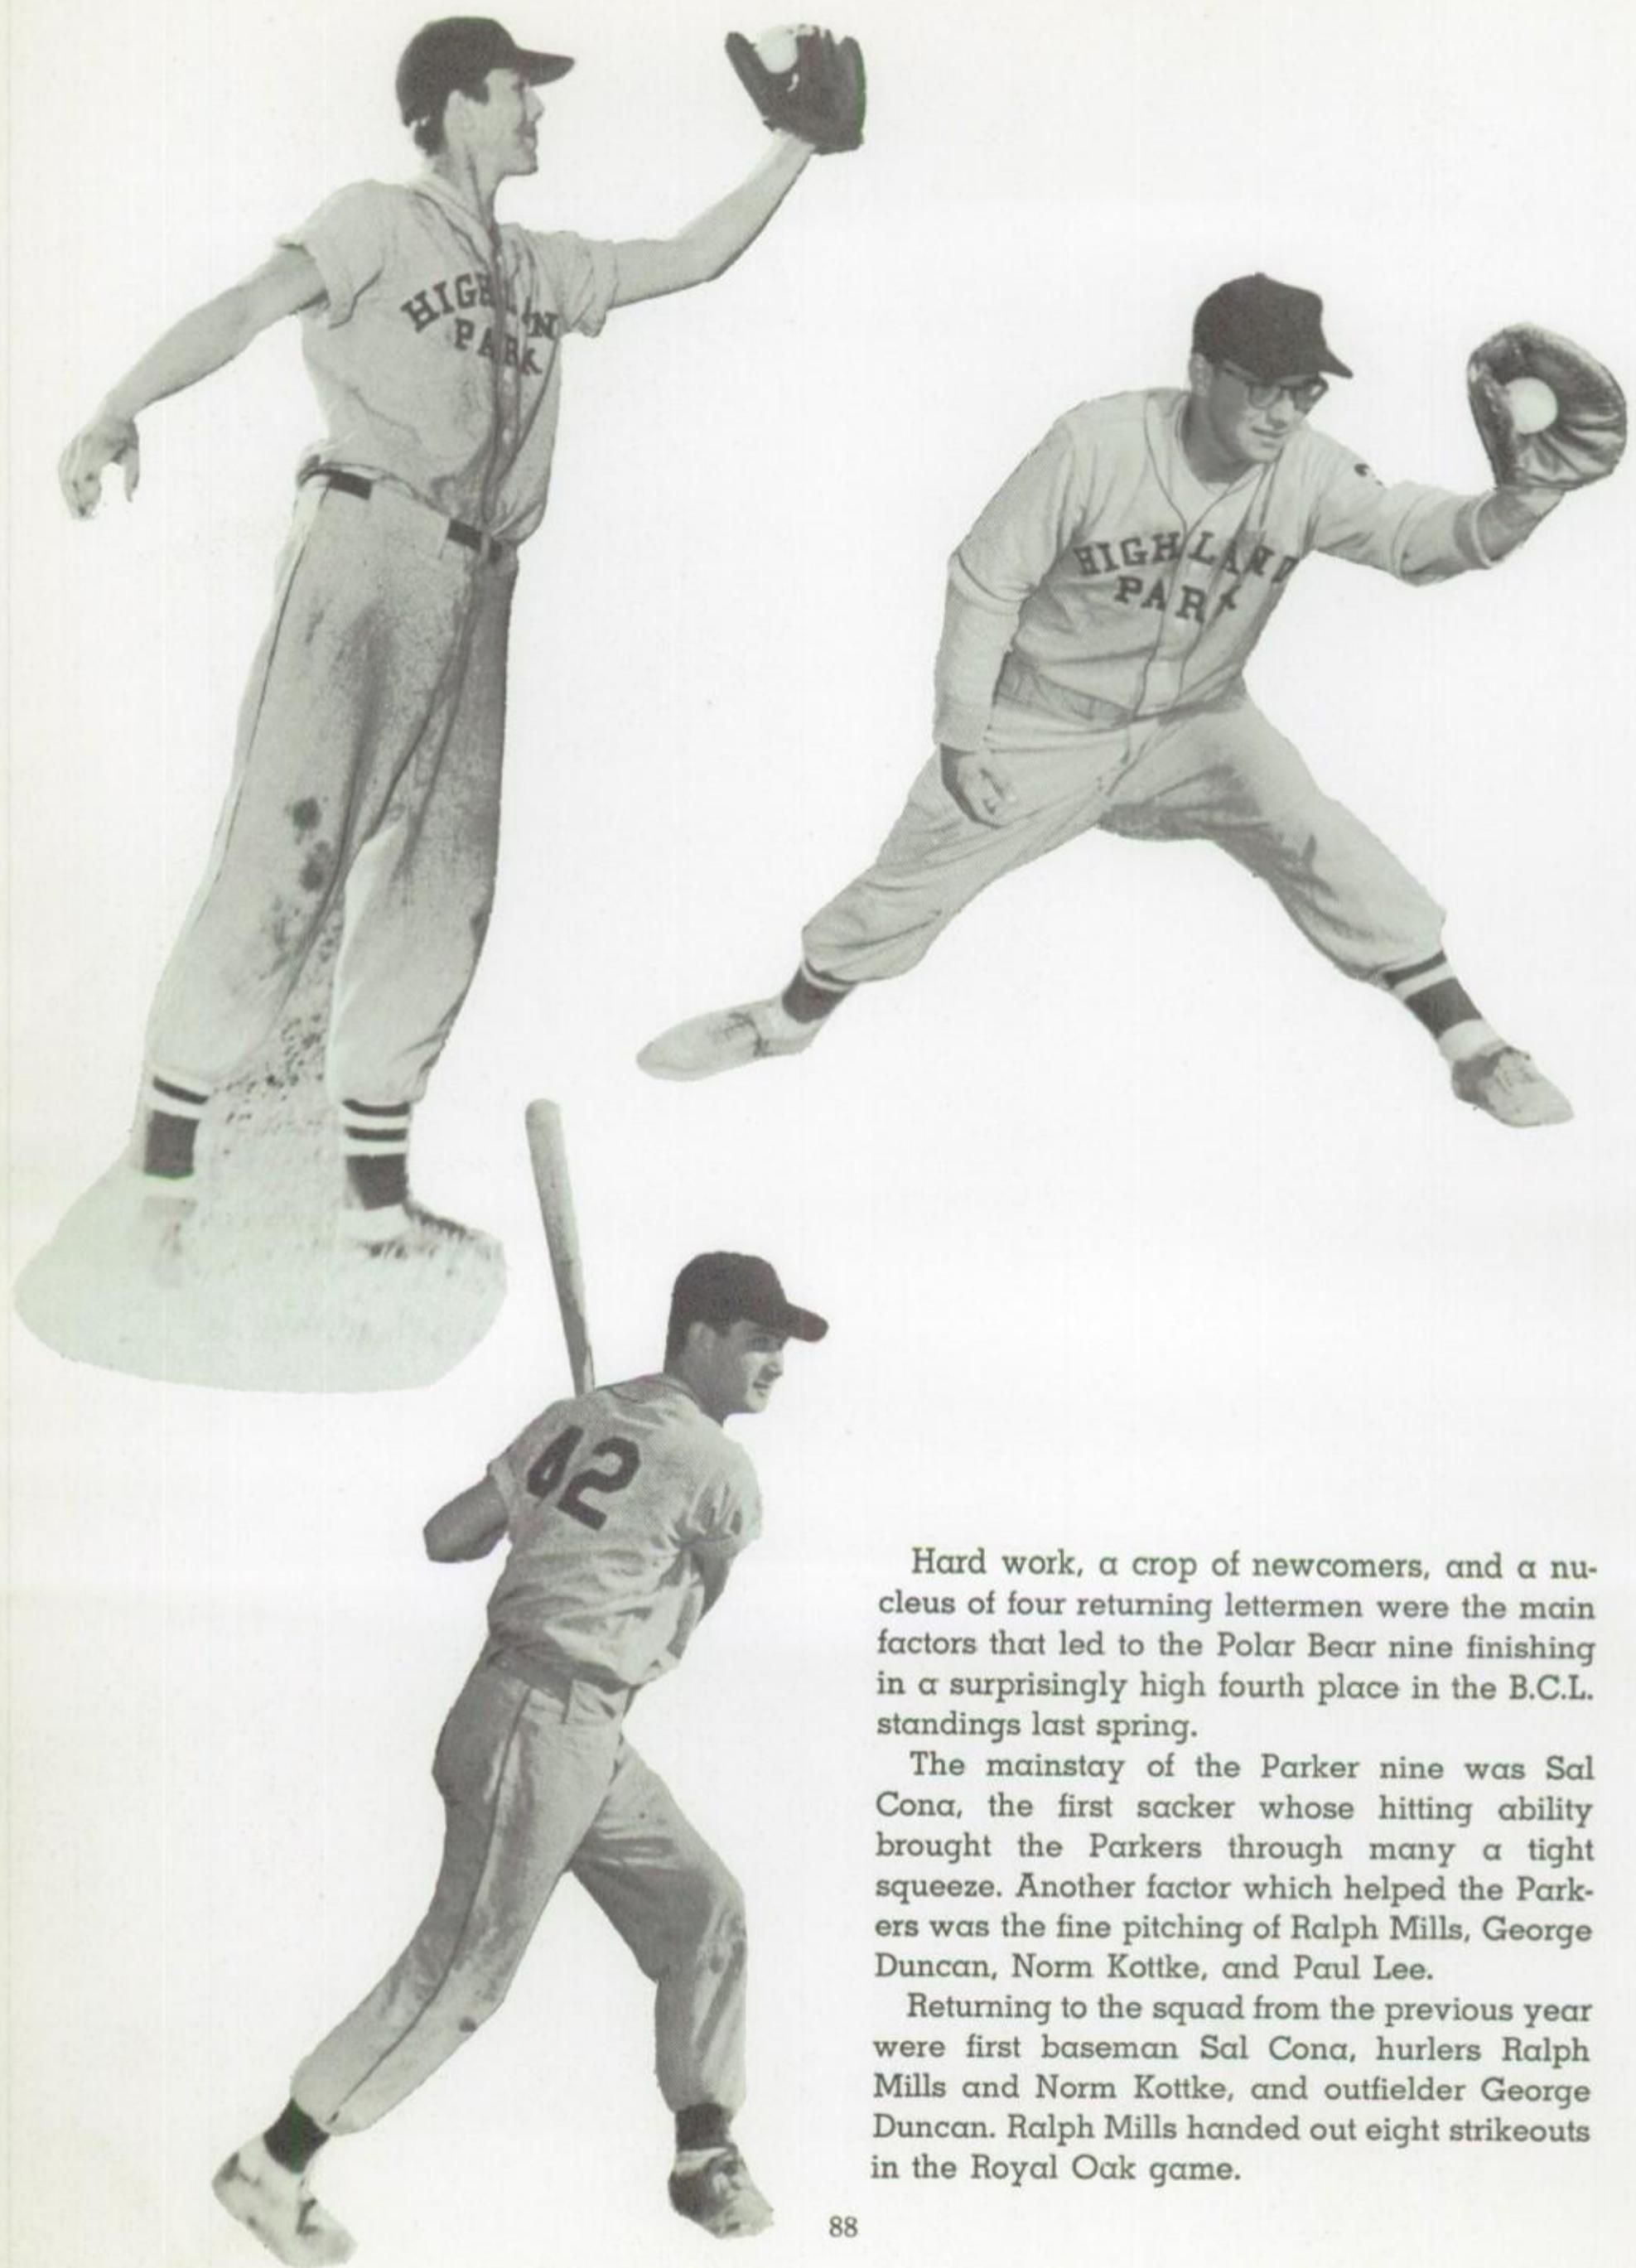

Shown below from left to right are: (first row) Terry Dumas, Dick Blanding, Bill Bright, Bill Symons, Luke Collins, Fred Gunderson, Jim Lee; (second row) John Lane, Vartkes Tadian, Clyde Kinsey, Willie Russell, J. B. Martin, John

Shown above from left to right are: (first row) Bill Bright, Fred Hughes, Terry Dumas, Delano Esselman, Art Pernell; (second row) Coach Ed McMullin, James Williams, Najeeb Ahmad, Joe Hendricks, Clarence Spurr, Leroy Blount, and Doug Runnels.

This year's Track Team had a record of three wins and three losses and placed second in the regionals. The outstanding lettermen included John Grotewohl, Bernard Jones, Jadwaar Ahmad, Luke Collins and Terry Dumas. Coach Edward McMullin stated that the losing meets were close.

Grotewohl, Arthur Pernell; (third row) Ed McMullin (coach), James Williams, Bob Alton, Joe Lynch, Jim Munson, Clarence Spurr, Ray Mondro (asst. coach).

Hard work, a crop of newcomers, and a nucleus of four returning lettermen were the main factors that led to the Polar Bear nine finishing in a surprisingly high fourth place in the B.C.L. standings last spring.

The mainstay of the Parker nine was Sal Cona, the first sacker whose hitting ability brought the Parkers through many a tight squeeze. Another factor which helped the Parkers was the fine pitching of Ralph Mills, George Duncan, Norm Kottke, and Paul Lee.

Returning to the squad from the previous year were first baseman Sal Cona, hurlers Ralph Mills and Norm Kottke, and outfielder George Duncan. Ralph Mills handed out eight strikeouts in the Royal Oak game.

Shown below from left to right are: (first row) Ralph Mills, Don Anderson, John Werhas, Sal Cona, John Kachadourian, Paul Lee, and Harold Edwards; (second row) Tom Knowles, Virgil Hill, Dave Northcross, John McMeekins, Ronald Robertson, and coach Frank Pellerin; (third row) Dick Brown, Joe Wussells, Gary Cruse, George Duncan, and student manager Dale Saulter.

The Parkers, coached by Ray Mondro, ended the season with a record of four wins, one tie, and seven losses. The biggest event of the year was when John Risher, Tom Jackson, and Pat McKeown broke the school record for the 180 yd. medley relay. John also broke a fifteen year old record in the 100 yd. backstroke.

Shown above from left to right are (sitting): Ron Robertson, John Butler, Joe Lynch, Tim O'Rourke, Pat McKeown, Tom Jackson, Co-captain John Risher. (Standing): Coach Ray Mondro, Robert Handley, Jim Stephens, Dave McIntyre, Billy Cole, Jim Palmer, Fred Gunderson, Dave Courtney, Mike Furay, Manager Bob Weimer.

## Water Bound

(On the board): Coach Mrs. Virginia Berryman, Dianne Dawson, Nancy Nealon, Mary Jo Rashid, Linda Townsend, Pat Loewe, Letitia Pinney, Marjorie Pearsall, Jill Arnold, Glenda Casey.

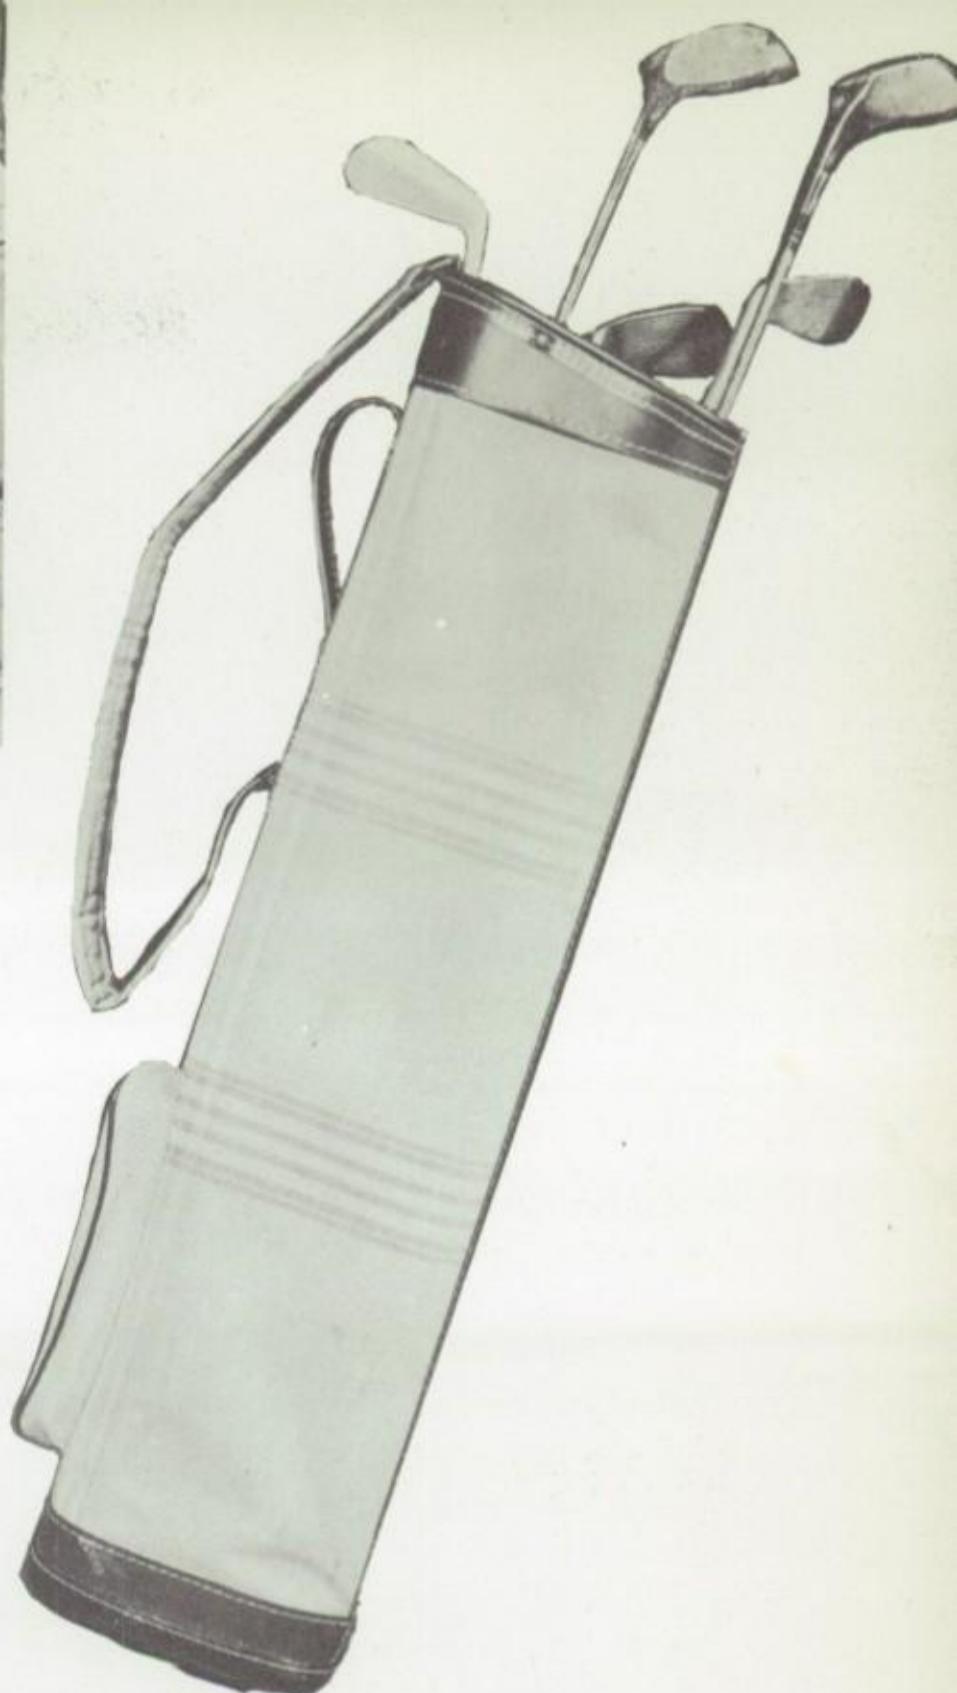

The 1954 girls' swimming team had a stellar season. With Coach Mrs. Virginia Berryman guiding them, they displayed fine team spirit and sportsmanship. Co-captains were Sheila Burdett and Jill Arnold. At the time of publication, the Parkers had won four meets and lost two, with one game remaining.

Shown above from left to right are: Harry Peterson, Wayne Coppens (Captain), Franklin Seabrooks, and Bill Matson.

Swinging clubs were right in rhythm last year as two wins over Hamtramck High lifted the boys' golf team to a fifth place in the Burrough's State Tournament at Brighton, Michigan. Captain Wayne Coppens and Harry Peterson were selected as the most valuable players.

Since the entire team has graduated, there will be a fresh team to start the 1954 season.

## Fore!

The girls' spring golf team played an unofficial schedule and attended a play day, competing in a game against the Girls' Physical Education Department. Not photographed were captain Pat Lowe and coach Miss Theo Freeman.

The fall team, which played a full schedule with various schools and competed in the All-City Tournament, consisted of five girls coached by Miss Marjorie Peiper. They are Dorothy Stanton, Georgiana Toler, Faye Smith, Carol Watt, and Susan Luoma.

Shown below from left to right are: Jane Hammerstrom, Kaye Mayhew, Georgiana Toler, Carol Lapham, Faye Smith, Karwyn Thomas, Dorothy Stanton, Monica Powell.

# Polarettes on Parade

Davis, Betty Aiken, (Mgr.); (third row) Beverly Thompson, Margaret Becker, Mary Still, Audrey Smith, Bonnie Johnson, Pat Anderson, Darlene Lank, Evelyn Gordy, Sandrea Smith, Ida Lee Hall, Barbara Starks.

"The girls' hockey team ended with a tough record for the season, but the practice workouts and the strenuous tension experienced on the field showed courage and true spirit all the way," stated Coach Marilyn Yarmain.

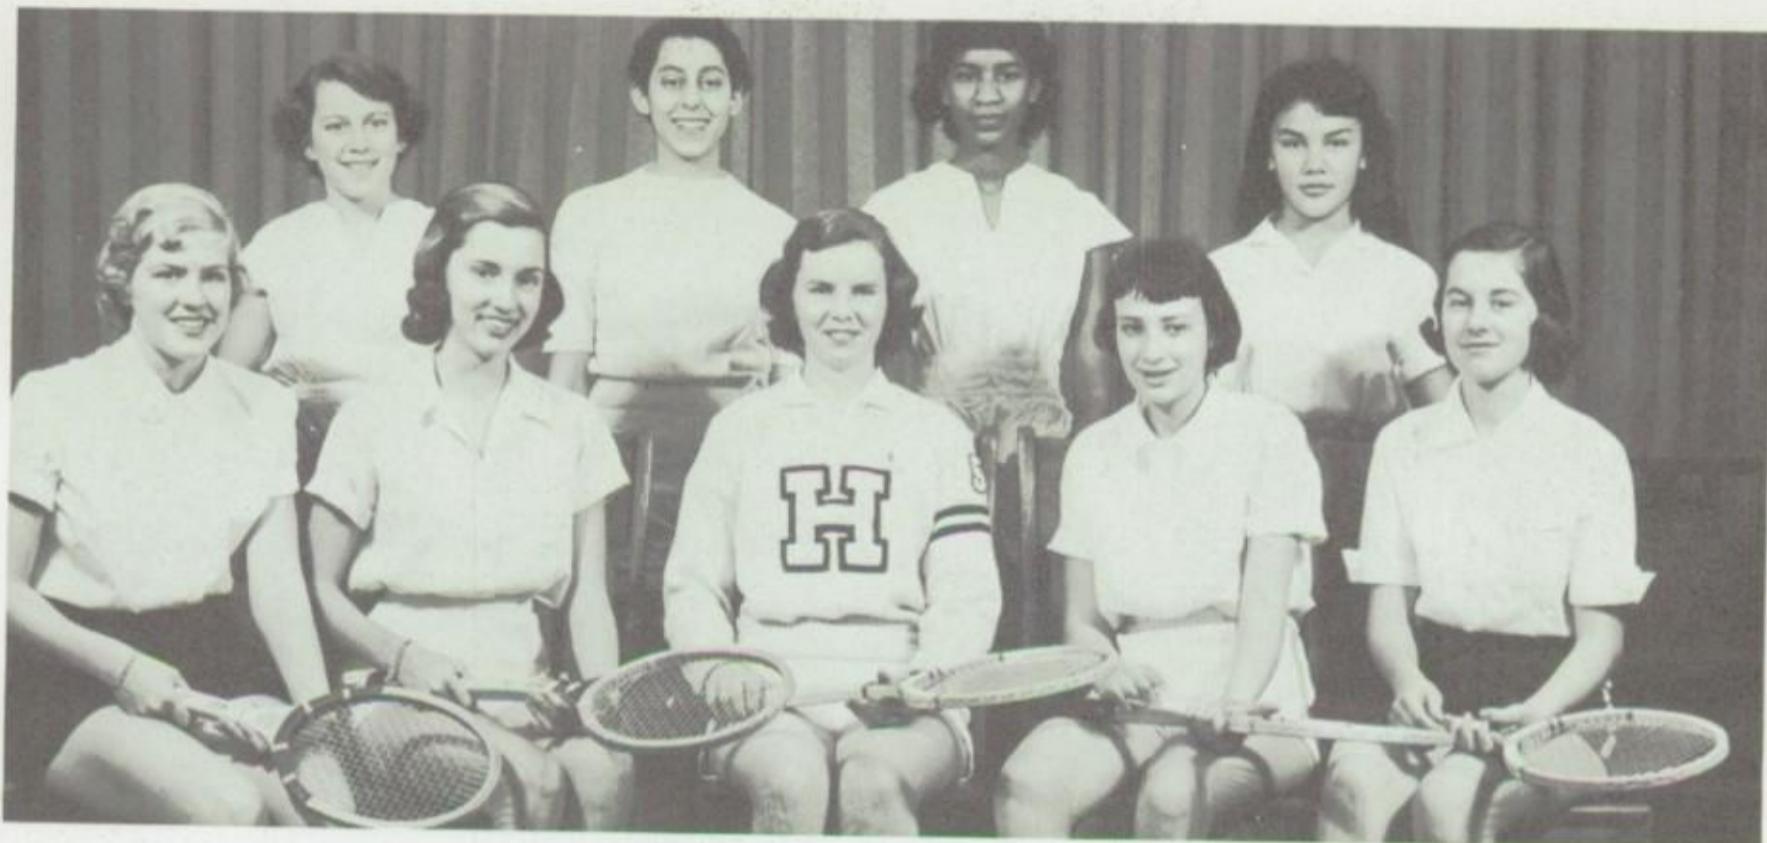

"From a squad composed, with only two exceptions, of inexperienced players, this year's girls' basketball team shows promising team work for the coming season," asserted Coach Marjorie Peiper.

Shown below from left to right are: (standing) Miss Marjorie Peiper, Willie Rae Pollock, Dot Sauter, Mary Reed, Jean Lee, Bette Moore, and Judy Ramsey, student manager;

(seated) Mildred Nelson, Reva Blackmon, Erline Nicholson, Lois Dotts, and Pat Davis.

# Parker Rackets

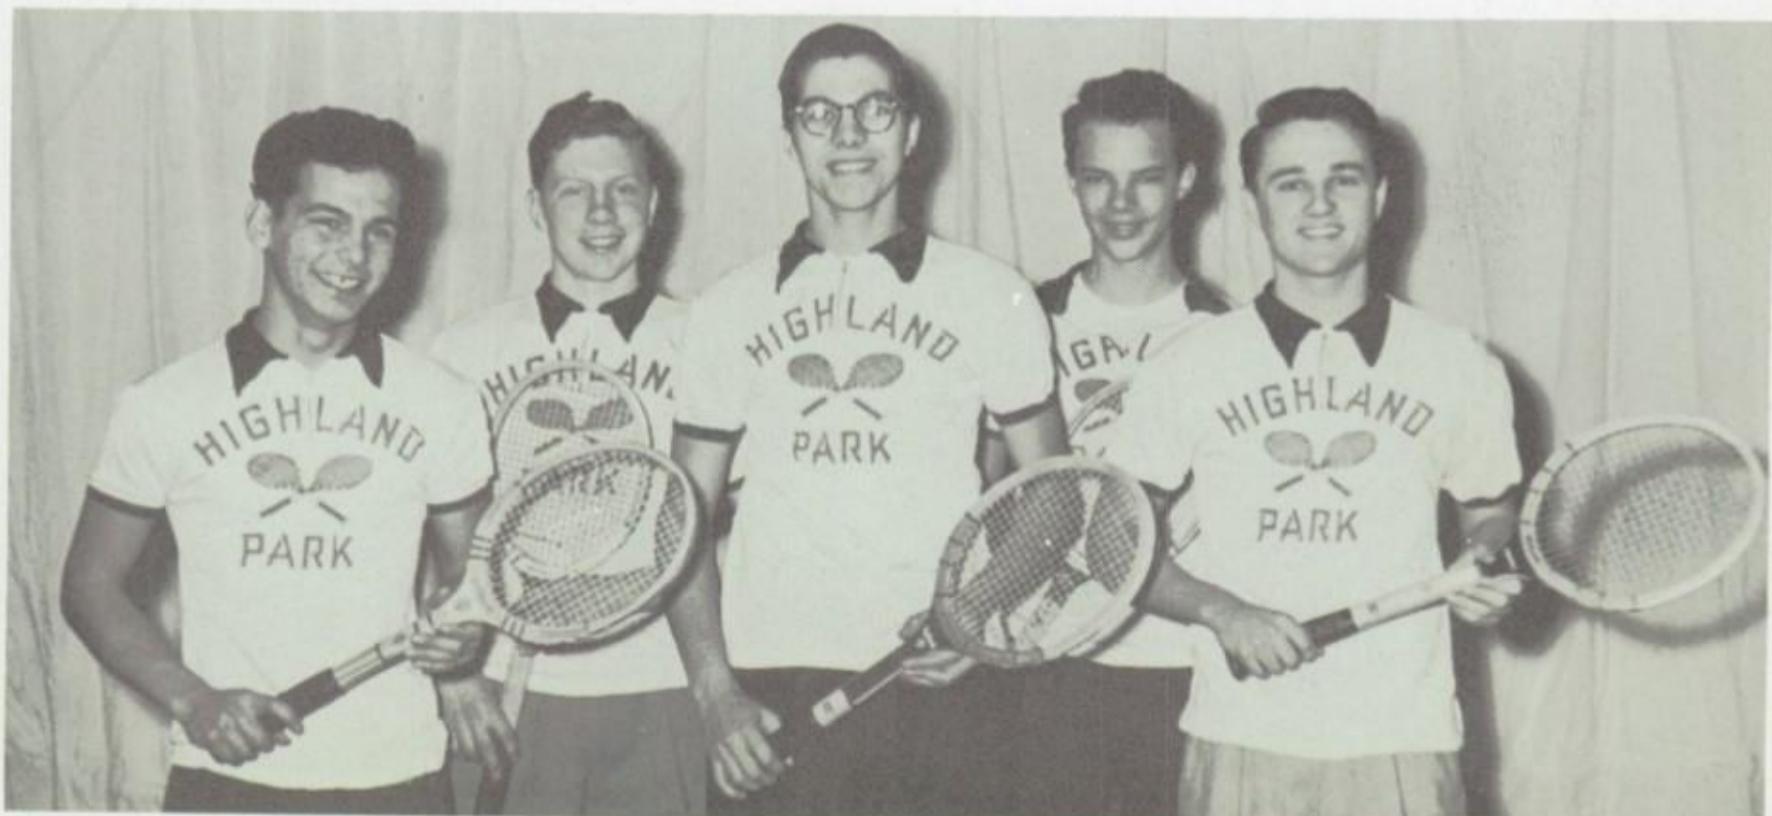

Shown above from left to right are: (first row) Margie Pearsall, Jill Arnold, Sheila Burdett, Judy Friedman, Mary McLoskey; (second row) Ann Burdett, Jeanne Coosia, Lois Dotts, Rosalie Throgmorton.

The girls' tennis team lived through a rugged season of rains and tornadoes. The squad won one, tied one, and lost one. The team was coached by Mrs. Virginia Berryman, and co-captained by Carolyn Cogger and Letitia Belfon. First singles was played by Sheila Burdett, second by Carolyn Cogger, and third by Jill Arnold and Lois Dotts. There is hope for a better season and more ambitious tennis players because of the new all-season courts at Ford Field.

Bad weather and a delay of the Ford Field courts helped the 1953 racquetiers to lose all their matches. Three quarters of the scheduled games had to be postponed, along with the practices, because of rainy weather. Captain Darrel Phillips led the team in singles won. Graduating lettermen are Captain Darrel Phillips, Steve Schneider, Leon Thomas and Jim Eastman. The coach was Mr. Alex Loiko.

Shown below from left to right are: Ted Foronda, Leon Thomas, Darrell Phillips, Dave Ruopp, Jim Eastman.

## SERVING DETROIT

**-and Detroit serves the world!**

The products of Detroit's industrial plants are shipped to the four corners of the earth. Automobiles, adding machines, kitchen ranges, bearings and bolts and thousands of other products from Detroit plants serve the needs of people all over the world. And your Gas Company serves the needs of Detroit's people and plants. Dependable natural gas provides comforts and conveniences for community homes, essential fuel for industry and commerce. Michigan Consolidated Gas Company is proud of its service to Detroit and other Michigan communities.

# CAREER TRAINING

Thousands of men and women who secured their business education at The Business Institute have moved on to successful careers in the business world.

Develop your personal qualities. The Institute training will help you to find employment for them in the offices of business, industry, or government.

Come in and talk with one of the school's registrars about the opportunities available to those who prepare for accounting, secretarial, business administration, stenographic or office machines positions.

(The Business Institute and Detroit Business University have merged.  
Teachers of both of these outstanding schools are on the combined staff. Students can be confident of exceptionally thorough instruction.)

**SOME  
JOBS ARE  
WORTH  
CHEERING**

Take the Telephone Company, for example. Anyone who works for Michigan Bell will tell you it's everything a girl could want in a job.

First, you don't need any experience. You learn your job on the job, and earn a good salary while learning. Raises are regular and frequent. Your income is steady, you can always count on it and you get annual vacations with pay.

Another nice thing about telephone work is that you'll associate with people your own age, just out of school, too. You'll work in clean, bright, pleasant surroundings. Whether you prefer to start as a telephone operator, a teller or a clerk, you'll find opportunities for advancement.

We'd like to tell you more about these and other interesting telephone jobs. Visit us soon, won't you?

... Snapshots!

... only the  
beginning

Ever stop to think what the world was like before electricity became everybody's servant? It's difficult to picture! Electric power serves so faithfully we just take it for granted.

Edison's incandescent lamp, heralding the birth of modern electric service, finally became more than a dream 75 years ago. To help turn this dream into reality, other men provided the finances Edison needed. Their joint achievement is an example of how financial risk-taking and individual ingenuity combine to the benefit of all people.

But our present way of living is only the beginning. Electricity promises for the future still greater marvels and better service.

It requires men and women with many skills to provide this service. If you would like to work with such people why not get in touch with Edison's Employment Office?
